Subject: 2025-IDS-01, Incorrect Certification Date on Breath Test Instrument ARKA-0046

On August 7, 2025, the Washington State Patrol, Impaired Driving Section (IDS) identified a breath testing instrument deployed for use in the field without a QAP certification date being set. The certification date was not set correctly in conjunction with the Quality Assurance Procedure performed on June 11, 2024. The instrument, identified as ARKA-0046, was deployed from June 11, 2024, through September 9, 2024.

The Impaired Driving Section has identified 107 breath tests where the breath test document will have the incorrect Date of Last QAP. This does not affect the analytical process of the breath test instrument nor the resulting breath alcohol concentrations on the breath test document. The instrument was in service at the Washington State Patrol - Tukwila office, located at 15666 International Blvd.

Attached is a discovery report showing all affected breath tests.

If you need additional information, please contact Lieutenant Jeffrey Leonard at Jeffrey.Leonard@wsp.wa.gov.

Sincerely,
