Sergeant David S. Divis

811 East Roanoke Street, Seattle, WA 98102 | 206-720-3018 x24140 | dave.divis@wsp.wa.gov

I am currently a Sergeant in the Impaired Driving Section (IDS) Breath Test Program (BTP) and a certified Breath Test technician. I supervise Commissioned Troopers and Forensic Scientists that are certified Breath Test Technicians who provide breath alcohol calibration services for all statewide criminal justice services. This includes the calibration, verification, maintenance and operation of the breath test instruments used throughout Washington State. In addition, the technicians provide all basic and refresher training for breath test instruments and provide expert court testimony, legal discovery and data analysis.
