Washington State Patrol  
Impaired Driving Section  
3860 Airport Way  
Bellingham, WA

## INTRODUCTION

I am a forensic scientist trained as a breath test technician with the Washington State Patrol. I was hired with the Washington State Patrol in July of 2023. I have a Bachelor's in Anthropology from San Diego State University, a Bachelor's in Criminal Justice from the University of Washington, and a Master's in Forensic Science from the University of Florida. Prior to moving to Washington I was a crime scene and trauma scene cleaner in California.

## EDUCATION

**High School Diploma:** Hemet High School; Hemet, CA – 2013

**Bachelor of Arts – Anthropology:** San Diego State University; San Diego, CA – 2016

**Bachelor of Arts – Criminal Justice:** University of Washington; Tacoma, WA – 2018

**Master of Science – Pharmacy with concentration in Forensic Science:** University of Florida; Gainesville, FL – 2021

## PROFESSIONAL TRAINING

BAC Technician training that consisted of 160 hours and more than 120 hours of field training with a certified breath test technician. To include: Draeger Alcotest 9510 operator and instructor; Preliminary Breath Test technician and operator; external standard changer.

## PROFESSIONAL RESPONSIBILITIES

As a certified breath test technician by the state toxicologist my duties are to conduct Quality Assurance Procedures (QAP), troubleshoot, repair and maintain the Draeger Alcotest 9510 instruments; provide expert court room testimony. I am a custodian of records which includes the responsibility of maintaining files and records relevant to the Draeger 9510 instruments, breath test records and data; and providing training for law enforcement personnel as operators of the Draeger 9510 and as PBT operators and technicians.
