

## THC Cases/Reported Results for THC Testing Performed Between July 31, 2019 and November 16, 2020

NOTE: Original MU (Measurement Uncertainty) and Updated MU values calculated using original instrument results, which may include additional decimal places compared to result on the test report. If needed, an official letter with the updated uncertainty for a specific case may be requested by email at [toxlab@wsp.wa.gov](mailto:toxlab@wsp.wa.gov)

*Table provided for informational purposes only; refer to the Toxicology Test Report for official THC result. Should the THC result on the Toxicology Test Report differ from that listed in the table, please contact the laboratory.*
