WSP Detectives Seek Help In Identifying The Vehicle Involved In A Fatal Hit & Run

On November 22, 2017 at approximately 7:00p.m, Porfirio Reyes-Solano of Burlington was struck and killed by a vehicle while he was attempting to assist a disabled motorist. The collision occurred on the on-ramp from George Hopper Road to northbound (NB) Interstate 5 (I-5) in Skagit County.

During the on-scene investigation, detectives were able to collect several pieces of lighting material which are believed to be from the right front headlamp of fleeing vehicle. It has been determined that the headlamp is associated with a 2001-2006 Chevrolet Tahoe or Suburban.

WSP detectives are asking for the public's assistance in locating this vehicle. Please contact Detective Jeff Rhue (360)654-1142 or Jeff.Rhue@wsp.wa.gov.
