Reservation Guidelines

The State Fire Marshal's Office will:

- Transport the fire sprinkler trailer to your location.
- Provide a presenter, a sprinkler head for each demonstration, and materials for the event.
- Our staff will operate and perform the fire sprinkler demonstrations.

Local jurisdictions are required to provide:

- One person to assist with the demonstration trailer for the duration of the event.
- Access to demonstration area with adequate clearance to prevent high centering.
- Level parking area with a hard compact surface (rock, asphalt, concrete) that is large enough to accommodate a 9' x 24' trailer and pulling vehicle.
- Water supply to a garden hose connection with a minimum 35psi.
- Power connection to 120v/20 amp, non-GFCI-protected circuit.
