**Directions – From Olympia/Seattle:**

1. From I-5 in Olympia, take the **104 exit** and proceed "north" on **SR-101** for approximately six miles.
2. As you approach the junction of SR-8, continue to follow SR-101 by exiting to the **Right** – (signs will say to Shelton-Port Angeles). Continue north on SR-101 for approximately 13 more miles.
3. Just north of "Taylor Towne" (where speed limit reduces to 50 MPH) you will observe "Freeway Ends" sign; move to the **Left** lane. Stay in the **Left** lane as SR-101 narrows to two lanes and do not take any of the three Shelton exits.

After passing the third Shelton exit (Wallace Blvd), continue north on SR-101 for approximately two miles past an airport which will be on the left.

4. Watch for the "State Patrol Academy/Shelton Detachment" sign for a **Left** turn onto **SR-102** from SR-101 (SR-102 is also known as the "Dayton Airport Road").
5. Continue west on SR-102 for ½ mile and turn **Left** into the Academy complex. The entrance to the Administration Building is in the center of the complex on the **Right** – visitor parking is in front.
