

Goal #1: The Washington State Patrol will facilitate the testing of each sexual assault evidence kit that was previously unsubmitted to the crime laboratory by December 1, 2021.

Data as of 11/30/2021:

Starting Inventory of Unsubmitted kits: **9,232**

Testing facilitated for **8,989 kits**

Kits remaining to be tested: **243***

Requests cancelled this month: 41

Months left to go: 0

***of kits remaining:**

- 1 kit=will be outsourced in December
- ~242 estimated kits remain to have paperwork submitted to WSP. Follow-up is being requested from the submitting agencies and testing is pending their response in order to be completed. WSP cannot facilitate testing until paperwork has been submitted.
