WSP Seeking Witnesses to a Drive By Shooting on SR167

King County: Just after 2:00am on Wednesday, May 18, 2022, Washington State Patrol (WSP) communications received a 9-1-1 call reporting a shooting NB SR 167 just south of I405 in Kent, Washington.

Once Troopers arrived on scene they discovered a vehicle on the right shoulder that had sustained at least four bullet holes. The only occupant of the vehicle was the driver and he was not struck.

The victim driver described the shooting vehicle being a dark blue Honda Accord. He stated that it was lowered with a wide body kit and black wheels and heavily tinted windows. The vehicle was occupied by two males possibly in their early 20's. The passenger of the dark blue Honda lowered the window and opened fire striking the victim vehicle shattering a window and disabling it.

WSP detectives are seeking anyone that witnessed or has information on the dark blue Honda Accord. The occupants are being sought for Drive by Shooting. Please contact Detective Medeiros at Ruth.Medeiros@wsp.wa.gov.

Update: This morning shortly after 10am Josh Allen, 23 from Renton was arrested for Assault 2nd and Drive By Shooting and booked into the King County Jail. Great job by WSP detectives!
