### Detectives Seeking Witnesses To A Road Rage Injury Hit And Run Collision

**King County:** At approximately 8:00 am this morning, August 11, 2022, Washington State Patrol (WSP) communications received 9-1-1 calls reporting a one vehicle pedestrian collision NB I-5 just south of Albro.

Once troopers arrived on scene they observed a black BMW X3 on the left shoulder and a male individual on the other side of the guardrail with a severe injury to his leg. Through further investigation and according to witnesses this BMW was being driven by the injured individual and was previously involved in a road rage incident NB I-5 near SR 518. The other vehicle involved was a silver Mercedes SUV which apparently threw something at the BMW. The vehicles continued NB I-5 when traffic came to a stop near Albro at which time the driver threw something at the Mercedes, stopped his car and exited. The driver approached the Mercedes at which time the Mercedes took off hitting the driver of the BMW causing serious injury.
