Reasons why rules on this subject may be needed and what they might accomplish: The list of specialized pyrotechnic operator license types in WAC 212-17-223 and WAC 212-17-225 needs to be removed as they are not licensed within the State Fire Marshal's Office (SFMO). The SFMO currently license and test for pyrotechnic operator license only. Additionally, there is a need to update the NFPA standards in WAC 212-17-021.
