Please read instructions carefully. Incomplete or missing information may delay processing and/or result in rejection

To apply for certification as a **Journey Level Fitter** with the state of Washington, you will need:

- 1) Evidence that you possess the experience necessary to qualify for the certification examination of not less than eight thousand (8,000) hours of trade-related experience installing and/or repairing sprinkler systems with either:
 - a. At least eight thousand (8,000) hours of experience in commercial fire protection sprinkler systems.
 - b. At least five thousand (5,000) hours of experience in commercial fire protection sprinkler systems with the remaining three thousand (3,000) of experience in residential fire protection sprinkler systems.
- 2) Only experience in the installation and/or repair of sprinkler systems is acceptable, which is demonstrated by:
 - a. A single employer completing a single Verification of Hours Form confirming your experience.
 - b. Multiple employers each completing a Verification of Hours Form that combine to total the experience required.
 - c. A single Verification of Experience Form completed by a trade organization – such as a union.
 - d. Combinations of both verification forms and/or other methods are reviewed on a case-by-case basis, but all methods must successfully demonstrate the hours/experience required by law for the certification.
 - e. Only submit the Verification of Hours Form (from a contractor) and a Verification of Experience Form (from a Trade Organization) **if** you are submitting hours from both sources.

*(For the Verification of Hours, each form must represent contiguous hours of work by calendar year.
Do not include any breaks in service of more than a year on any one form.)*

- 3) **You MUST include a copy of a valid government-issued photo identification that possesses a sample of your signature.**
- 4) DO NOT SUBMIT any fees with this application. Unless notified otherwise, there are no fees associated with this certification.
- 5) Please complete all sections of this application. Write “NOT APPLICABLE,” “DOES NOT APPLY,” or other clarifying statements.
- 6) Submit the completed application in its entirety to:

USPS
Post Office Box 42642
Olympia, WA 98504-2642

E-Mail
firesprinkler@wsp.wa.gov

Fax
(360) 596-3934

- 7) Return all portions of this document marked “MUST RETURN.”
- 8) You must pass the certification examination in order to be certified and you will not be scheduled for the test until your application is approved.
- 9) After passing the test, a completed application can take between two (2) and ten (10) working days to process and issue.

VERIFICATION OF HOURS FOR A JOURNEY FITTER

This form is to be completed only by a sprinkler contracting company that either currently employs or employed at one time the fitter applying for certification noted below. Hours from Washington State must be through a Licensed Fire Protection Sprinkler System Contractor and supervised by a fitter properly certified per RCW 18.270. Out-of-state employers verifying hours CAN do so without using an RCW 18.270 certified fitter.

Fitter Applicant Name:	_____		
Company Verifying Hours:	_____		
State Hours Are From:	_____	Position of Verifier:	_____
Name of Verifier:	_____	Contact Number:	_____
Verifier's 18.270 Certification Number (if applicable):	_____		
Hours Accrued From:	_____	Through:	_____

CLASSIFICATION OF HOURS BEING VERIFIED

Residential Hours	Commercial Hours	Total Hours of Verified Experience

Signature of Verifier: _____

GUIDELINES FOR SPRINKLER CONTRACTORS COMPLETING THIS FORM

- 1) Experience can only be for installation and/or repair of fire protection sprinkler systems.
- 2) Exact dates are not necessary but must be contiguous in nature. Using the year alone is sufficient unless the range is within a single year. Do not include breaks in service of more than a year on any single form.
- 3) Exact hours being verified are required. Statements such as "10 years" or "Since 1991" will not be accepted.
- 4) To confirm as a verifier, one need simply have either employed or supervised the applicant while performing the work being verified for the time frame of accrual noted. The time frame quoted must represent contiguous work.
- 5) Hours accrued within Washington State after 2009 must be from a fire protection sprinkler system contractor licensed per [RCW 18.160](#) and verified by a fitter properly certified per [RCW 18.270](#) for the time frame verified.
- 6) One employer. One verifier. One form. Only verify the hours you witnessed/supervised and, if necessary, more than one verifier can come from a single employer but the dates of accrual MUST differ.
- 7) The applicant may submit as many completed Verification of Hours Forms as are necessary to total the eight thousand (8,000) hours of experience required for certification with NOT LESS than five thousand (5,000) being commercial.
- 8) Hours of experience from employers/verifiers who operate out of state WILL BE ACCEPTED.

VERIFICATION OF EXPERIENCE FOR A JOURNEY FITTER

This form is to be completed only by a trade organization – such as a union – that is responsible for tracking and monitoring the hours accrued by their members while engaged in the sprinkler trade for fire protection sprinkler system contracting companies. By completing this form, you are confirming that the MAJORITY of the hours reported are solely from the installation and/or repair of fire protection sprinkler systems.

Fitter Applicant Name (your member):	_____
Name of Trade Organization:	_____
Name of Individual Verifying Hours:	_____
Position of Verifier:	_____
Contact Number:	_____

CLASSIFICATION OF EXPERIENCE BEING VERIFIED

Name of Sprinkler Contractor and State of Operation	Hours of Experience	Residential or Commercial	Time Frame For Experience

Total Experience Verified (in hours):

Signature of Verifier: _____

GUIDELINES FOR TRADE ORGANIZATIONS COMPLETING THIS FORM

- 1) Experience can only be for installation and/or repair of fire protection sprinkler systems.
- 2) Exact dates are not necessary when identifying the time frame. Using the year alone is sufficient except when verifying a time frame from within a single year. Then include at least the month.
- 3) Exact hours being verified are required. Statements such as “10 years” or “Since 1991” will not be accepted and please use a separate line to track residential and commercial experience, even if from the same employer.
- 4) To confirm as a verifier for a Trade Organization, one simply needs be legally allowed to sign for the Trade Organization with regards to hours tracked for their members.
- 5) Hours accrued within Washington State after 2009 must be from a fire protection sprinkler system contractor licensed per [RCW 18.160](#) and overseen by a fitter properly certified per [RCW 18.270](#) for the specified time frame.
