WEEKLY UPDATE: Sunnyside Police Department officer-involved shooting investigation

SUNNYSIDE, Wash. – The below weekly update is in reference to the Yakima Valley Special Investigations Unit (YVSIU) investigation of a Sunnyside Police Department (SPD) officer-involved shooting in the city of Sunnyside that occurred on Saturday, Oct. 29, 2022:

There are no updates at this time. The investigation remains ongoing.

This update is required in compliance with WAC 139-12, which mandates weekly updates be sent out by the lead investigative agency in investigations where a Washington State Peace Officer uses deadly force in the capacity of his or her law enforcement duties. These updates are required even if no new information is available at the time of the update.

With the passage of [Washington State Initiative 940](#) in 2018, and [Substitute House Bill 1064](#) in 2019, incidents where the use of deadly force by a peace officer results in death, substantial bodily harm, or great bodily harm require an independent investigation. This investigation must be conducted in the same manner as a criminal investigation and state law now requires an “independent investigation” completely independent of the involved agency.

Weekly update will be provided as the investigation continues. The policies and operating procedures of the IIT are available to the public at: <https://www.wsp.wa.gov/about-us/our-mission/> or directly at: <https://www.wsp.wa.gov/wp-content/uploads/2020/07/CID-IIT-Protocol.pdf>
