

Instructions for Completing this Examination

Before beginning this examination, you must have attended a Washington State Patrol (WSP) Ignition Interlock Technician Training Course within the last 72 hours.

You must have also read and understand [Washington Administrative Code \(WAC\) 204-50](#) and [chapter 43.43.395](#) and [chapters 46.20.710 through 46.20.755](#) of the Revised Code of Washington (RCW) and you must have successfully completed all ignition interlock manufacturer device, service center, and technician training as provided by your supporting manufacturer(s).

In order to be eligible for a letter of certification as an ignition interlock technician, you must complete this knowledge and skills examination with a score of eighty percent or greater (80%+). You may refer to the applicable chapters of the WAC and RCW and any notes you took during the WSP Ignition Interlock Technician Training Course while taking the examination.

During the examination, please enter your answer in block capital letters (i.e., A, B, C, D). For true and false questions, mark T for true and F for false. No more than one answer will be expected or allowed per question. Every question must be answered; incomplete examinations will not be accepted.

The examination must be completed and submitted within 72 hours of the conclusion of the WSP Ignition Interlock Technician Training Course.

Choose one of the following methods for examination submission and review:

1. Scan and e-mail to ignition.interlock@wsp.wa.gov; or
2. Fax to (206) 720-3246.

Do not return this instruction page or the examination questions. Only the answer sheet (page 2 of this document) is required to be reviewed. Once the answer sheet is submitted for review, destroy all examination documents. The Washington State Patrol will review your answers and you will be contacted within five business days (excluding state holidays) of receipt of your examination with your examination results.

Results of the Examination

1. Upon passing, your technician application will be processed. **Passing this examination does not qualify you as a certified interlock technician until your application is approved by the Washington State Patrol. You may not conduct interlock related services until your application is approved.**
2. Upon failure, you must attend another WSP Ignition Interlock Technician Training Course and take another exam. The schedule for future courses can be located on our website at wsp.wa.gov/interlock under the 'Technician' tab.

Any questions regarding the ignition interlock technician knowledge and skills examination or the application process may be directed to the Ignition Interlock Program of the Washington State Patrol at (206) 720-3018 or ignition.interlock@wsp.wa.gov.
