Subject: WSP Firearms Background Division Update - December 2021

Hello!

This month's WSP Firearms Background Division update will be a short one, as I'm sure you're all very busy recovering from Thanksgiving and preparing for the upcoming holidays!

Prior to the passage of E2SHB 2467, one of the main concerns voiced by FFLs was how difficult it was to determine which law enforcement agency (LEA) to send the paperwork to for a background check, since it is based on the residential address of the purchaser/transferee, not the physical location of the FFL. With that in mind, one of the best features of the new Secure Automated Firearms E-Check (SAFE) system will be the fact that FFLs will no longer need to figure out which LEA to send the paperwork to for a background check. Since all firearm sale/transfer background checks will be handled by our new system no later than January 1, 2024, the guess work will disappear. FFLs will be able to simply submit the information on the purchaser/transferee into our SAFE portal and we'll take care of the rest!

Thank you,

Kevin L. Baird
