Good Morning!

Since February is a short month...this will be a short message AND a short survey that we would greatly appreciate you completing. It should take you less than 2 minutes: <https://www.surveymonkey.com/r/VL9HNS3>

We've reached the point in the development of the Secure Automated Firearms E-Check (SAFE) system, that we are ready to have a few of you take a look at it and let us know what you think (Yes, really! We want this to be something you WANT to use!!!)

To that end, we'd like about 5 volunteers to be scheduled for a Zoom meeting where we will provide you the link to our test system and watch while you try it out, it should take about 45 minutes at the most (each FFL will have their own meeting). We anticipate the meetings to be held during the week of February 12-18, 2023.

If you are interested, please respond to this email with the following information:

1. Name
2. Name of your business
3. Phone number we can contact you at
4. Email address (for the Zoom invite)
5. Approximate size of your business (small, medium, large)
6. Do you use a point of sale system or third party software to conduct your background checks now (yes/no)?
7. What are the best days and times for you to attend the Zoom meeting during the week of February 12-18, 2023?

Please respond no later than Monday, February 6, 2023 if you wish to be considered. We will notify you by February 9, if you have been selected to participate.

Thank you,

Kevin
