Subject: WSP Firearms Background Division Update - April 2023

Good morning!

After reviewing the survey results from February's update, and the responses we received from March's update, we wanted to try to gauge how well we are communicating the information to you that we need to communicate.

Therefore, we have another survey for you to take: <https://www.surveymonkey.com/r/7QN7YFG>

We appreciate your time in providing us this feedback. We are using the data to try to ensure everyone who needs to know about the transition and changes are fully informed.

Thank you,

Kevin
