Subject: National Sex Offender (NSOR) Registry File Converting to NIEM XML

---

Hello,

We will be converting the National Sex Offender (NSOR) Registry File to NIEM XML on October 12, 2023 between 7:30AM-8:30AM.

**What is happening?**

The National Sex Offender Registry File will be converted to NIEM XML. Users will not notice a difference. The following Message Keys (MKE's) will be converted:

- QXS – Inquiry
- EXS – Entry
- EXSN – Enter Supplemental
- MXS – Modify
- CXS- Clear
- XXS – Cancel
- XXSN – Cancel Supplemental

For detailed information on MKEs, please refer to our [ACCESS Operations Manual – Chapter 20 National Sex Offender Registry \(NSOR\) File](#).

**Will there be a downtime?**

There will not be a downtime, however there may be a slight delay in NSOR responses during this time.

**What do I need to do?**

Your agency does not need to do anything. A few vendors/agencies have tested and confirmed functionality.

**What if I have issues entering or querying a sex offender record?**

If you notice anomalies after deployment, please report to our IT Department via email [ITDHelp@wsp.wa.gov](mailto:ITDHelp@wsp.wa.gov).

Thank you,
