<b>L</b>	49.05	73.57
<b>M</b>	55.18	82.77

## **DNR RESOURCE PAYMENT PROVISIONS**

### **PERSONNEL**

All fire resources serving at the request of the Department of Natural Resources (DNR) will be paid the current year's Washington State Wage and Equipment Rate Guide as adopted by the Washington Department of Natural Resources. Any changes in rates must be accompanied by written justification from the Incident Commander, Operations Section Chief, or Finance Section Chief to the Agency Administrator (AA) for approval. A copy of written approval from the AA shall be attached to the original pay document (OF-288) that is provided to the host agency as part of the final incident documentation package.

### **TIMEKEEPING**

All personnel time is documented on the Emergency Firefighter Time Report, form OF-288. Time for mobilization and demobilization must be kept separate from fire time. Time must be recorded on a shift basis. Employees may not approve their own time worked. Personnel must document their time on a Crew Time Report (CTR), and have it approved by their Division Supervisor, Unit Leader, Section Chief, or Incident Commander. Time must be signed by the resources chain of command on the Incident, not their home unit. Meal break and personal breaks must be recorded on Crew Time Reports.

### **AGENCY PERSONNEL**

Personnel from all agencies and career firefighters take the original OF-288 from the incident and deliver it to their home unit.

**NOTE:** Other State and local agency services that fall within that agency's responsibilities are not reimbursable and shall not be a cost to the incident. Examples are activities such as Washington State Department of Transportation (WSDOT) providing general traffic control or assistance on State roads or a law enforcement agency providing services/aid within their jurisdiction. Other services related directly to the fire, such as specifically requested personnel or equipment may be eligible for reimbursement. An example would be security for fire camp or aviation resources. If payment is to be made, the resource must be ordered through the proper channels. Resource order number is to be assigned and shift tickets/CTRs submitted tracking time.

### **CASUAL HIRES**

Personal data listed on the OF-288 including name, and mailing address (where check should be sent), must be completed before payment can be made. An I-9, W-4, Worksheet A-1 (Benefit Eligibility), and SSA- 1945 (Statement Concerning Your Employment in a Job Not Covered by Social Security; available at <http://www.ssa.gov/form1945/SSA-1945.pdf>) must be completed annually prior to being dispatched. All personnel must sign the OF-288. Casual Hires will take all original documentation (OF-288, casual hire documents, etc.) home with them, and submit to their hiring unit for payment.

**Pay Rate:** Individuals and non-contract crewmembers will be paid the wage rates listed in the wage rate table.

### **COMPENSABLE TIME**

Employees are compensated for on shift time. On shift time includes travel to and from the point of hire, related waiting time, and/or other travel necessary for the performance of work (such as from base camp to fireline), actual hours worked, and time when an individual is held, by direction or orders, in a specific location fully outfitted, and ready for assignment, excluding meal breaks.

### **TRAVEL TIME**

Travel time for Cooperators and Contractors calculated as the mileage from home agency to incident divided by 45mph; however it is understood that conditions vary. Computer programs such as Google Maps or other similar mapping program will be used to determine mileage, and will be based on the shortest route based on mileage available. This calculation takes into consideration rest breaks and fueling. Travel will be documented on a Crew Time Report (CTR).

Travel time from and to the point of hire is allowed for one round trip. While traveling to and from incidents, OFM travel regulations apply for meal periods and reimbursement.

Travel time spent picking up and dropping rental vehicles is compensable for one round trip, plus up to one hour of time spent at the rental vehicle location completing the appropriate paperwork associated with renting the vehicle. If there is a delay in picking up a rental car and pick up time takes more than one hour, document reason for delay on CTR, and have it signed by the Time Unit upon arrival at the incident. One round trip will be calculated: from point of hire, to pick up location, to incident, from incident, to drop off location, to point of hire.

No travel time will be paid for personnel traveling at their own choice between place of residence, base camp, and/or point of hire. If DNR management decides personnel must return to their official residences or point of hire, then written justification must be attached to payment document before additional travel time will be allowed. Additional travel time and mileage allowances must be authorized by written justification from the Incident Commander or Finance Section Chief and must be attached to the pay document.

In those cases of excessive travel time, a CTR will be completed documenting the extra time (including the reason such as road closures, rental car wait took longer than an hour etc.with specific time spent at rental car location), signed by the Incident Commander, Finance Section Chief, Time Unit Leader, or Home Unit Chief and forwarded to the appropriate DNR Region with the invoice for payment. Submittal of additional time is not a guarantee of payment and is subject to review and approval. Choosing an alternate route to an incident is not a justification for excessive travel, and the additional time spent traveling is not compensable.

### **NON-COMPENSABLE TIME**

Time when an individual is not on assigned duty and is free to leave the area.

1. Unscheduled hours for meals
2. Sleeping/Showering periods.
3. Time required for vehicle/equipment servicing or maintenance.
4. Crew change travel time (either direction), unless the Department/District is requested by the host agency to retain their equipment, and provide a replacement personnel to operate the equipment when the personnel operating the equipment has worked 14 or more days and the entire crew is being swapped out, and the operators are paid separately from the equipment.
5. Out-of-Service time (i.e., unit decommissioned or broken down), if crew was reassigned, it must be documented on the Crew Time Report.
6. Daily briefings – Only the Single Resource Boss and above will be compensated for attending unless other direction is provided by Operations or IC, and is documented on CTR and/or shift ticket.

### **WORKWEEK DEFINED**

The workweek is the DNR standard workweek. It begins at 12:01 AM Monday and ends at midnight on Sunday. All hours worked in excess of 40 hours during this workweek shall be paid at one and one-half times the regular rate.

### **SUSTANCE PROCEDURES**

Meals will be provided for individuals staying at camp. No pay deduction is made for fire camp meals. If meals are not provided by the incident, and per diem is authorized with written authorization from the incident commander shall be sent home with the resource. Reimbursement for meals not provided by the incident will be per the Fire District/Departments agreement with Washington State DNR.

**Commissary:** Casuals hired by the State and regular State employees are not entitled to payroll deductions for commissary.

### **FIRE DISTRICT PERSONNEL**

**Volunteer personnel** from fire districts will be hired as Casual Hires at the rates listed in the wage rate table and paid according to the procedures for paying casual hires.

### **Career Personnel:**

The Finance Section will complete the OF-288. Personnel wage rates for career firefighters shall be actual labor expenses and overtime rates according to each responding agency's labor contracts and pay

schedules. The fire district or department will submit a DNR Fire District Reimbursement Invoice, Resource Order, and Individual Time Record with their costs to their home DNR Region including the original OF-288 for personnel time and an OF286 with shift tickets for command vehicles and other equipment. Any repair orders and fuel usage slips deducted from the OF-286 must be attached.

Career personnel **will record actual hours worked** on each CTR and the Time Unit, Incident Commander, or Local DNR Region **will post actual hours worked** in e-Isuite or complete a paper OF288. Note: Some career personnel are eligible for compensable lunches per their labor agreements with their district or department. If they are entitled to compensable lunches, they are required to report actual hours worked on their CTRs, and make a note on the bottom of their CTR. The fire district or department will bill DNR accordingly. DNR does not pay for muster or rehab time.

Career personnel who elect to take a leave of absence from their district/agency or department to work for DNR will be signed up using DNRs Casual Hire Process and paid using the pay rates for casual hires. Note: When career personnel are hired while on a leave of absence from their district, they will be covered under DNR L&I, not their fire district insurance.

### **INCARCERATED INDIVIDUALS**

A block cost is used at the incident for accounting purposes only, actual expenses will be billed. Refer to the current DNR Incident Business Guidelines for current hourly rate.

# WASHINGTON FIRE SERVICE PAY PROVISIONS

## **POSITION REQUIREMENTS**

It is the expectation that all personnel come qualified as ordered. On a wildland incident, an incident qualification card is required for Strike Team Leader trainee and above regardless of pay status (career vs casual hire). Casual hire personnel desiring reimbursement higher than FF2 will need to meet or exceed the standards as set out in PMS 310-1 and provide their qualification card. Trainee positions below Strike Team Leader will be paid at the highest level carded.

Personnel sent to a Mobilization incident must be:

- Minimum of 18 years old;
- Trained, qualified, and experienced in the positions for which they are mobilized;
- Fully equipped with required personal protective equipment (PPE) and safety equipment that meets the requirements for WAC 296-305 for the assignment they are ordered; and
- Physically conditioned and fit to perform the tasks assigned.

Wildland Response: At a minimum, line personnel shall meet all of the requirements and physical fitness qualifications for the position of NWCG Firefighter 2 or as specified in WAC 296-305- 07010 and have completed the annual refresher and fire shelter training. Overhead positions must meet requirements as set forth in PMS 310-1 for the position they are ordered unless otherwise authorized by the Plan.

## **COMPENSABLE TIME**

### **Timekeeping**

All personnel time is documented on the Emergency Firefighter Time Report, form OF-288. Time for muster, travel, check-in, demobilization, and rehab must be kept separate from fire time. Personnel may not approve their own time worked. Personnel must document their time on a Crew Time Report (CTR), and have it approved by their Division Supervisor, Unit Leader, Section Chief, or Incident Commander. Time must be signed by the resource's chain of command on the Incident, not their home unit.

### **Travel Time**

Travel time is calculated as the mileage from home agency to incident divided by 45mph; however, it is understood that conditions vary (See Excessive Travel). Computer programs such as Bing Maps or other similar mapping program will be used to determine mileage, utilizing the shortest route based on mileage available unless otherwise authorized by the WSP. This calculation takes into consideration rest breaks and fueling. Travel will be documented on a CTR.

Responding personnel are eligible for 2 hours of muster time prior to departing for assignment and 1 hour to place the equipment back into service upon arriving back at the home unit. Time spent picking up a rental vehicle and completing associated paperwork is considered included in the muster time. Rehab is for agency apparatus only that have line assignments, i.e., strike team leader, engines, ground support, etc.

**Excessive Travel:** In those cases of excessive travel time, a CTR will be completed documenting the extra time (including the reason), signed by the home unit Chief, and emailed to [mobepayments@wsp.wa.gov](mailto:mobepayments@wsp.wa.gov). Submittal of additional time is not a guarantee of payment and is subject to review and approval.

No travel time will be paid for personnel traveling at their own choice between place of residence, base camp, and/or point of hire.

### **Travel by Ferry**

For those resources that use a ferry to travel either to or from an incident, the compensable hours will be calculated as outlined below. The ferry toll is not a reimbursable Mobilization cost.

**For those traveling to an island where the ferry is the only option:**

Travel time is calculated at the mileage from home agency to incident divided by 45 mph + 1 hour for personnel only to allow for waiting time and time on ferry.

**For those traveling to Kitsap County or Olympic Peninsula and taking the ferry as an alternate route:**

Travel time is calculated at the mileage from home agency to incident divided by 45 mph. There is no additional personnel compensation for riding on the ferry or waiting for the ferry. If the ferry is faster than the hours credited, there will be no deduction of hours; however, if the ferry is slower there will be no additional credit of hours.

**Time in assigned status (on-duty time)**

Assigned hours are those in which the employee is assigned to duty on the incident according to the shift plan. Assigned hours include reasonable time spent in preparation for work before and after the shift, travel to and from the assignment, time spent in assigned staging, briefings, check-in, and demobilization. Meal breaks are considered on-duty time for fireline rated positions only.

**Standby Hours**

Personnel will be compensated for up to one operational period while waiting to be assigned. These hours are calculated for each 24-hour period after check-in for resources who have not been assigned to the incident. These hours do not apply to travel time to and from the incident.

**Staging Hours**

When resources are assigned to staging for initial attack or emergency deployment to the field, all hours will be reimbursable. This condition requires the approval of the Operations Section Chief and the signature of the Division Supervisor on the crew time report.

**NON-COMPENSABLE TIME**

Time when an individual is not on assigned duty and is free to leave the area.

1. Unscheduled hours for meals, i.e, breakfast.
2. Sleeping periods.
3. Time required for vehicle/equipment servicing or maintenance.
4. Crew change travel time (either direction). See Section 16 – Plan.
5. Out-of-Service time (i.e., unit decommissioned or broken down), if crew was reassigned, it must be documented on the Crew Time Report.
6. Daily briefings - Only the Single Resource Boss and above will be compensated for attending unless other direction is provided by Operations or IC.

**Incident Time Off**

Any incident personnel may request non-compensated time off from the incident, subject to the approval of the Incident Commander. The compensable time reported for the incident shall specifically indicate any such time off, and it shall not be compensable or reimbursable as an agency cost.

**Support Personnel**

Fire agency costs for personnel working in a support role specific to the state fire mobilization effort, such as personnel responsible for coordinating the state mobilization effort (i.e., Regional Coordinators), are reimbursable provided such costs are above and beyond normal and usual fire agency cost. This does not include administrative support when calculating billing or reimbursement issues, or local and county coordinators.

**Incident Support Personnel**

Those jurisdictions providing resources are not to send support personnel (i.e., paramedics or mechanics) with ordered resources. They will not be eligible for cost reimbursement, nor will they be given resource request numbers. Attempts to obtain resource request numbers for these personnel will be considered prima facie evidence of fraud (RCW 9A.60).

## **WORK PERIODS**

### **Work Rest and Length of Assignment**

The Incident Management Team shall plan for and ensure that all personnel are provided a minimum of 2:1 work to rest ratio (for every 2 hours of work, provide 1 hour of sleep and/or rest). Shifts exceeding 16 hours, including travel shall be approved in writing by the Incident Commander in advance. Mitigation measures shall be employed to achieve compliance with the 2:1 work to rest ratio policies.

### **Initial and Extended Attack**

Within the initial 48-hour period of a fire, initial attack and extended attack operations work to rest periods may vary in length. Full mitigation of the 2:1 work to rest ratio must be accomplished immediately following this period. This requires a minimum of 16 hours rest to be spread over the next 48 hours. Any shift in excess of 16 hours during this period requires Incident Commander's approval prior to working the shift.

## **PERSONNEL COMPENSATED BY WASHINGTON STATE PATROL, FIRE PROTECTION BUREAU (WSP)**

Fire agency personnel not compensated by their home agency who are mobilized under the Plan will be hired and paid as short-term "exempt" employees of the Washington State Patrol, Fire Protection Bureau. References to "temporary" firefighters are based on the short-term nature of the employment with the Washington State Patrol, Fire Protection Bureau, not their employment status under the Washington Administrative Codes.

Temporary employment status with the WSP Bureau begins:

- At the time state mobilization is declared for those resources already on the incident, or
- Upon mobilization or assignment to a responding state mobilization resource holding an authorized incident resource request number.

Mobilized personnel do not receive state:

- Insurance Benefits (exception: Industrial Insurance provided through L&I)
- Retirement
- Vacation
- Sick Leave
- Personal Holiday
- Holidays

*Note: "Exempt" in this context refers to civil service law and does not have the same meaning as "exempt" under the Fair Labor Standards Act.*

Employment status with the Washington State Patrol, Fire Protection Bureau ends at the time that the demobilized resource arrives back at their home station and the equipment has been placed back into service (maximum time of 1 hour per person on the equipment).

**Rates:** Hourly rates will be paid as listed in the wage rate table.

**Workweek:** The workweek is the WSP standard workweek. It begins at 12:01 AM Sunday and ends at midnight on Saturday.

**Regular Hours:** All hours up to 40 hours in a workweek.

**Overtime Hours:** All hours worked in excess of 40 hours each workweek shall be paid at one and one-half times the regular rate.

## **PERSONNEL COMPENSATED BY HOME AGENCY**

Fire agency personnel compensated by their home agency who are mobilized under the Plan will continue to be employees of that agency at all times. The fire district or department will submit a Personnel Reimbursement Request to WSP including original OF-288, shift calendars, and supporting payroll documentation.

Career personnel who elect to take leave from their district or department to work for WSP will be paid using the wage rate table included in this rate guide. Note: When career personnel are hired while on leave from their district, they will be covered under WSP L&I, not their fire agency insurance.

**PUBLIC AGENCY RESOURCES**

Departments and agencies shall fulfill their primary roles and responsibilities during an incident without expectation of reimbursement through mobilization.

WSP may request a public agency to provide critical resources in support of mobilization when those resources are not available from fire service agencies. The number and type of resources and personnel mobilized will be reasonable and necessary as determined by the IC in discussion with the Mobilization Coordinator and/or assigned Mobilization Representative.

Examples of resources/personnel not eligible for reimbursement:

- Agency representatives/liaisons to the incident assigned by their jurisdiction/agency
- Personnel performing their regular duties
- Mutual aid to support regular duties
- Specialized equipment to support regular duties

## EQUIPMENT RATES

Note: If a piece of equipment is not listed in the table, please contact the hiring agency with the class, make, model, and series. **DNR** – [Preseasonagreement@dnr.wa.gov](mailto:Preseasonagreement@dnr.wa.gov) or 360.902.1300. **WFS** – [mobepayments@wsp.wa.gov](mailto:mobepayments@wsp.wa.gov) or 360.596.3945.

Refer to the Payment Provisions for the appropriate hiring agency when completing the Emergency Equipment Use Invoice OF-286.

### **Fuel Cost Adjustment – Heavy Equipment Daily Rate Increase**

<b>\$4.51 – \$4.75</b>	<b>\$4.76 – \$5.00</b>	<b>\$5.01 – \$5.25</b>	<b>\$5.26 – \$5.50</b>	<b>\$5.51 – \$5.75</b>	<b>\$5.76 – \$6.00</b>
\$45.00	\$60.00	\$75.00	\$90.00	\$105.00	\$120.00

The FCA is in addition to the normal daily rate for heavy equipment. The DNR and the WSP will post the applicable rate on their websites weekly. For more information on the FCA and how it should be applied, please refer to the Fuel Cost Adjustment Job Aid, also available on the DNR and WSP websites.

### **Dozers and Skidders**

1. Use the horsepower class table and the equipment lists on the following pages to determine the appropriate rate. For equipment not listed, compare similar equipment in higher and lower power classes to assist in determining the rate.
2. Net Flywheel Horsepower is for an engine operating under SAE conditions, with standard engine accessories: muffler, blower fan, air cleaner, water pump, lubricating pump, fuel pump, and alternator. SAE Conditions: Sea level to 500 feet, 29.38" barometer (at sea level) and 35 API gravity fuel oil at 60 degrees F.
3. Do not increase the listed pay rate unless the machine is so unique that it will not be adequately compensated by that horsepower class rate. You must write a memo to the Incident Business Advisor and the Agency Administrator (DNR) or the Mobilization Program Manager (WFS) that explains why the rate increase was made. Attach a copy of the memo to the Emergency Equipment Use Invoice and note the situation in your unit log. *Dozer must meet both weight and horsepower criteria in table below.*
4. STANDBY is defined as a time when the Cooperator's or Contractors equipment and operator are not assigned to an incident but are being compensated by the DNR for the availability for dispatch to an incident. The operator, dozer, and transport must be available for immediate dispatch or have the ability to be enroute to an incident in no more than 30 minutes. At the time DNR contacts the Cooperator or Contractor for standby, they must indicate their availability to commit to standby time for the day and acknowledge that they will be first on the call list for the region they were requested for. If the Cooperator or Contractors meets this requirement, and passes the Safety Inspection, they may be placed on standby and will be compensated for standby at the daily rate. If the Cooperator's or Contractors equipment is dispatched to a fire during the time that they are on standby, the Cooperator or Contractors will be paid the daily rate for standby and the applicable shift rate (Daily or Double).

#### **DOZER POWER CLASS**

TYPE	NET HP RANGE (1)	MIN BASE WEIGHT (2)	DAILY STAND BY RATE	Daily Double Shift w/Operator	Daily Single Shift w/Operator	Daily Double Shift w/o Operator	Daily Single Shift w/o Operator

**Skidders and Skidgines****Standard Method of Hire**

1. All operating supplies, including fuel
2. Daily work rate
3. One operator
4. Service Vehicle included in rate

**Skidgines**

If a skidder is equipped as a skidgine add the rate as shown by tank size below. Skidgine must have a minimum of a 200-gallon tank and not exceed the manufacturer's load rating.

200 gal to 399 gal tank add \$101.00 to the rate whether worked a SS or a DS.

400 gal to 799 gal tank add \$168.00 to the rate whether worked a SS or a DS.

800 gal tank and over add \$350.00 to the rate whether worked a SS or a DS.

No fiberglass tanks will be accepted. All tanks must be certified and baffled in compliance with NFPA or American Society of Mechanical Engineers standards or other industry accepted engineering standards.

Up to 75	\$1,064	\$1,819	\$602	\$1,029

**Water Trucks – For Dust Abatement****Standard Method of Hire**

1. All operating supplies, including fuel
2. Daily work rate
3. One operator

A water truck for dust abatement is required to have, at a minimum, an eight (8) foot wide spray capability (pressure or gravity). Must also have a 100-gallon per minute (gpm) self-loading capability.

Min. Gallon	SPRAY TYPE	Daily Single Shift w/Operator	Daily Double Shift w/Operator	Daily Single Shift w/o Operator	Daily Double Shift w/o Operator
1000	All	\$1,274	\$2,179	\$812	\$1,389
2500	All	\$1,386	\$2,370	\$924	\$1,580
5000	All	\$1,586	\$2,681	\$1106	\$1,891

**Potable Water Trucks***Standard Method of Hire*

1. All operating supplies, including fuel
2. Daily work rate
3. One operator

Min. Gallon	Daily Single Shift w/Operator	Daily Double Shift w/Operator	Daily Single Shift w/o Operator	Daily Double Shift w/o Operator
Up to 2500	\$1,400	\$2,394	\$938	\$1,604
2500+	\$1,650	\$2,822	\$1,188	\$2,031

**Grey Water Trucks***Standard Method of Hire*

1. All operating supplies, including fuel
2. Daily work rate
3. One operator
4. Does not include cost of Grey Water Disposal

Min. Gallon	Daily Single Shift w/Operator	Daily Double Shift w/Operator	Daily Single Shift w/o Operator	Daily Double Shift w/o Operator
Up to 2500	\$1,400	\$2,394	\$938	\$1,604
2500+	\$1,650	\$2,822	\$1,188	\$2,031

**Heavy Equipment Transport Vehicles – Includes truck tractor & trailer**

- Licensed Common Carrier: Pay Tariff Rates or a pre-negotiated rate. A field order number should be issued to the UTC carriers.
- Owner-Operated Transport Hauling Own Equipment to the Fire: Use daily rental rates from table below.
- Agree on starting time at time of dispatch.

When a transport and another piece of equipment, such as a dozer, etc. are hired, and both pieces of equipment utilize the same operator, daily payment for the transport will be deducted by \$462.00 for a single shift, and \$790.00 for a double shift.

**THIS IS FOR WHOLE SHIFTS ONLY-HALF SHIFTS DO NOT USE A DEDUCTION, JUST PAY HALF SHIFT RATE.**

SIZE	Daily Single Shift w/Operator	Daily Double Shift w/Operator	Daily Single Shift w/o Operator	Daily Double Shift w/o Operator
<b>Tractors &amp; Transports</b>				
19.99 Ton and Under	\$728	\$1,245	\$266	\$455
20 to 29.99Ton	\$956	\$1,652	\$504	\$862
30 to 39.99 Ton	\$1368	\$2,339	\$906	\$1,549
40 to 49.99 Ton	\$1,625	\$2,779	\$1,163	\$1,989
Over 50 Ton	\$2,016	\$3,447	\$1,554	\$2,657

### **Buses**

#### Standard Method of Hire

1. Operating supplies may or may not be supplied by the vendor
2. Mileage rate with 40 mile guarantee
3. Operator hired as a casual

Passenger Capacity	Rate Per Mile	Daily Guarantee
Bus 6 to 12 Passenger	\$0.92	\$37
Bus 12 to 24 Passenger	\$1.26	\$50
Bus 25 + Passenger	NEG.	NEG.
Coach 39+	NEG.	NEG.

**Command and Support Vehicles**

1. Support Vehicles paid mileage only for travel to/from the incident at the current Washington State Office of Financial Management POV Mileage Rate (<http://ofm.wa.gov/resources/travel.asp>).
2. Command Vehicles for line rated positions are paid fireline mileage **or** daily guarantee, whichever is higher, for all incident-related mileage, **including travel**. Command vehicle rates are applicable for Line Rated Overhead Positions that are required to go to the fireline daily (Division Supervisor, Operations Section Chief, Line Safety, Task Force Leader, etc.). Other positions that incur fireline mileage may be eligible dependent on vehicle usage (Example: Communications, Logistics Chiefs, etc.).

**Please note:** If vehicle remains in camp and/or is not used for official incident activities, mileage will not be reimbursed and daily guarantee will not apply.

<b>FIRE LINE MILEAGE:</b>	<b>Mileage</b>	<b>Daily Guarantee</b>
Overhead and Operations Line Positions used to go to the fire line	\$1.16	\$50.00
<b>NON-FIRE LINE MILEAGE:</b>		
Non-Fire Line positions travel to fire camp	Verify current OFM rate	n/a

**Haz-Mat or Technical Rescue Vehicle**

<b>TYPE</b>	<b>Hazardous Material or Technical Rescue Unit with Supplies and Equipment</b>	<b>Daily Rate</b>	<b>Reimbursement for Consumables</b>
Towing Unit Only	None	Mileage	No
Trailer	Yes	\$500	Yes
Truck	Yes	\$500	
Truck with Trailer	Yes	\$500	

**Transportation Vehicles with Operator**

(An example would be vehicles with Operator ordered to be used by Ground Support, does **NOT** apply to overhead vehicles, see command and support vehicles on Page 26)

*Vehicle with Operator – Standard Method of Hire*

1. Vehicle w/operator – Daily Rate includes vehicle, operator for one shift, fuel, all supplies that are applicable.
2. In addition to the Daily Rate, mileage is paid at the rate shown below for the size class of vehicle under agreement.

<b>VEHICLE WITH OPERATOR – Includes all operating supplies and fuel</b>	<b><u>Daily Wet Rate</u> \$400</b>
---	--

TYPE	4x2 Per Mile	4x4 Per Mile	DESCRIPTIONS
Light Utility, Compact Truck	\$0.67	\$1.14	S10 Blazer, Bronco 4, Toyota Tacoma, Chevy S10, Ford Ranger
Full Size Truck (1/2 ton)	\$0.73	\$1.14	Chevrolet & GMC 1500, C10, K10, Ford 150, Dodge 150
Full Size Truck (3/4 ton)	\$0.79	\$1.14	Chevrolet & GMC 2500, C-20, K-20, Ford 250, Dodge 250
Full Size Truck (1 ton)	\$0.93	\$1.14	Chevrolet & GMC 3500, C-30, K-30, Ford 350, Dodge 350
1 1/2 ton	\$1.24	\$1.60	Stake Trucks, Flat Beds, etc.
2 ton	\$1.58	\$1.79	Stake Trucks, Flat Beds, etc.
2 1/2 ton	\$1.73	\$2.07	Stake Trucks, Flat Beds, etc.
3 ton	\$1.92		Stake Trucks, Flat Beds, etc.
3 1/2 ton	\$2.20		Stake Trucks, Flat Beds, etc.
5 ton	\$2.96		Stake Trucks, Flat Beds, etc.
over 5 ton	\$3.18		Stake Trucks, Flat Beds, etc.

**Water Equipment**

- Determine whether the unit is an engine or a tender.
  - **Engine:** Self-propelled unit with a suitable tank, pump, hose, nozzle, plus other accessories necessary to be a well-equipped independent unit, including minimum required hose and hand tools for fire protection. (See Engine/Tender Inventories/Accessories list on pages 23-24.)
  - **Water Tender:** Any ground vehicle capable of transporting 1,000 gallons or more of water. Tenders should be self-filling and have one of the following: 1) a transfertype pump; and/or 2) a quick dump valve.
- Engine Type: Determined by meeting all the minimum requirements (pump capacity GPM, tank capacity gallons, and staffing). Minimum requirements are established by NWCG and available in the Red Book. If an engine only meets one of the minimum requirements, engine is classified at the lowest minimum requirement met. For example, GPM is 70 and tank capacity is 200 gallons, the engine would be classified as a Type 6; GPM is 20 and tank capacity is 750 gallons, the engine would be classified as a Type 7; GPM is 70 and tank capacity is 750 gallons, the engine would be classified as a Type 4.
- Staffing Requirements:

Engine Minimum Personnel	DNR	Mobilization
Type 1	4 FF	4 FF
Type 2 and 3	3 FF	3 FF
Type 4 and 5	2 FF*	2 FF
Type 6 and 7	2 FF*	2 FF

\*DNR may request 1-2 additional FF.

\*\*For federal incidents, and out of state dispatches a fully qualified Engine Boss is required.

**Engines and Tenders****Standard Method of Hire**

1. All operating supplies, including fuel
2. Daily work rate, based on shift configuration
3. One operator/crew for a SS, two operators/crews for a DS
4. No additional payment for foam use or portable water tank

**Engines**

TYPE	Min Pump GPM	Min Tank Gallons	Daily Single Shift w/ Full Staff	Daily Double Shift w/ Full Staff	Daily Single Shift w/o Staff	Daily Double Shift w/o Staff
1	1,000	300	N/A	N/A	\$3,724	\$6,368
2	500	300	N/A	N/A	\$3,304	\$1,652
3	150	500	\$3,148	\$5,383	\$2,252	\$3,851
4	50	750	\$2,680	\$4,583	\$1,784	\$3,051
5	50	400	\$2,474	\$4,231	\$1,578	\$2,699
6	50	150	\$2,269	\$3,881	\$1,373	\$2,348
7	10	50	\$1,540	\$2,663	\$644	\$1,101

**Aerials/Ladders**

TYPE	Minimum Personnel	Ladder/Aerial Height	Ground Ladders (a combination equaling)	Daily Single Shift w/o Staff	Daily Double Shift w/o Staff
1	4	<75 feet	115 feet	\$5,824	\$9,959
2	4	>75 feet	115 feet	\$5,264	\$9,001

**Tenders**

A water truck for dust abatement is required to have, at a minimum, an eight (8) foot wide spray capability (pressure or gravity). Must also have a 100-gallon per minute (gpm) self-loading capability.

*Non-Tactical tenders require one operator. Additional operators are not compensable unless approved by ordering agency prior to mobilization to incident and documented on the resource order.*

Type	Min Tank Gallons	Daily Single Shift w/Operator	Daily Double Shift w/Operator	Daily Single Shift w/o Operator	Daily Double Shift w/o Operator
1	5000+	\$2,128	\$3,639	\$1,666	\$2,849
2	2500-4999	\$1,929	\$3,299	\$1,467	\$2,509
3	<2499	\$1,638	\$2,801	\$1,176	\$2,011

*Tactical tender– Must specifically request tactical tender on resource order and require two operators.*

Type	Min Tank Gallons	Pump Rate (GPM)	Daily Single Shift w/Operator	Daily Double Shift w/Operator	Daily Single Shift w/o Operator	Daily Double Shift w/o Operator
1	2,000	250	\$2,051	\$3,507	\$1,589	\$2,717
2	1,000	250	\$1,876	\$3,208	\$1,416	\$2,421

**Fuel Cost Adjustment – Water Equipment**

\$4.51 – \$4.75	\$4.76 – \$5.00	\$5.01 – \$5.25	\$5.26 – \$5.50	\$5.51 – \$5.75	\$5.76 – \$6.00
\$0.56	\$0.80	\$1.04	\$1.28	\$1.52	\$1.76

The FCA applies to travel to and from the incident only for water equipment. The rate shall be applied to the mileage from the home unit to the incident. The DNR and the WSP will post the applicable rate on their websites weekly. For more information on the FCA and how it should be applied, please refer to the Fuel Cost Adjustment Job Aid, also available on the DNR and WSP websites.

**Power Saws (Fallers)**

**Chainsaw with Operator**

Method of Hire

1. All operating supplies, including fuel
2. Daily Rate
3. With Operator (operator/professional faller)

When hiring Faller's Assistant (Sawyer)

1. Hire as a casual hire, Firefighter wages.
2. Cannot pay assistant for any equipment, truck or saw
3. Casual hires are entitled to mileage if applicable (paid in accordance with Washington State Office of Financial Management (OFM) rates.

Size Class	Daily Wet Rate
Faller w/saw, operating supplies, incidentals, and transportation	\$1,380
Faller Module (2 Fallers)	\$2,528

**Light Towers (Trailer Mounted)**

Type	Daily Rate	Weekly Rate	Standard Method of Hire
Light Tower (mobile)	\$75	\$225	<ol style="list-style-type: none"> <li>1. Dry Rate</li> <li>2. Without operator</li> <li>3. Delivery/set up charges extra</li> </ol>

**Boats**

Standard Method of Hire

1. Daily/Wet
2. Without Operator
3. Flat rate per day regardless of hours operated

Daily Rate	
	\$1000

**Portable Water Tank**

Standard Method of Hire

1. Daily/Dry
2. Without Operator
3. Flat rate per day regardless of hours operated

Daily Rate	
	\$42

**Portable Pumps**

There will be no payment for pumps unless the pump is hired through the resource order system.

Standard Method of Hire

1. Dry
2. Daily/Weekly/Monthly
3. Without Operator

Payment is paid for each day (24 hours) the pump is on the fireline – REGARDLESS of use hours.

Size	Type	Daily Rate	Weekly Rate	Monthly Rate
1 1/2" - 3.8 cm	Pressure pump	\$20	\$50	\$150
2" - 5.1 cm	Pressure pump	\$50	\$150	\$375
3" - 7.6 cm	Volume (trash) pump	\$60	\$180	\$450
4" - 10.2 cm	Volume (trash) pump	\$80	\$265	\$620
6" - 15.2 cm	Volume pump, trailer mounted	\$250	\$600	\$1,750

### **All-Terrain Vehicles (ATVs)**

#### Standard Method of Hire

1. Daily/Dry
2. Without Operator
3. Hire only ATV with at least 4 wheels
4. Flat rate per day on the fireline regardless of hours operated

Type	Daily Rate
4-Wheel Drive	\$80

### **UTVs**

#### Standard Method of Hire

1. Daily/Dry
2. Without Operator
3. Host agency provides fuel
4. Hire only UTV with at least 4 wheels
5. Flat rate per day of the fireline regardless of hours operated

Daily Rate	
Side by side	\$200
4 Seater	\$300

### **Shop (Service) Trucks**

#### Standard Method of Hire

1. All operating supplies, including fuel

Daily Single Shift	Daily Double Shift
\$1,528	\$2,612

### **Mechanic with Tools & Pickup**

#### Standard Method of Hire

1. All operating supplies, including fuel

Daily Single Shift	Daily Double Shift
\$812	\$1,392

### **Farm Equipment – Agricultural Tractors**

Type	HP Range	Hourly Rate w/Operator	Standard Method of Hire
1	500+	\$292	1. Wet Rate
2	450-499	\$281	2. Hourly work rate
3	400-449	\$239	3. One operator
4	350-399	\$225	4. Service Vehicle included in rate
5	Under 350	\$217	5. Size/Weight Permits and pilot vehicle cost are part of the wet rate

**Farm Equipment – Disc**

Type	Disc Size in Feet	Hourly Rate w/Operator	Standard Method of Hire
1	29-32+	\$42	1. Pulled by Agriculture Tractor 2. Hourly work rate 3. One operator 4. Service Vehicle included in rate
2	26-28	\$40	
3	23-25	\$34.50	
4	20-22	\$28	
5	18-19	\$26.50	
6	15-17	\$22.50	
7	14 or Less	\$10.50	

**Communications Equipment and Support Units**

Type	Daily Rate			
Repeater Kit	\$100			
Radio Kit (16+ King radios w/clam shell & 24 PG batteries)	\$320			
Communications Unit*	\$1,500 (T1)	\$1,000 (T2)	\$500 (T3)	\$250 (T4)

\*Refer to Appendix L of Washington State Fire Service Resources Mobilization Plan for typing requirements

**Fuel Trucks**

Standard Method of Hire

1. All operating supplies, including fuel

The daily work rate for the truck is based on a 24-hour period with one operator. The operator must work within the work rest guidelines. If additional operator is needed, the host agency or IMT shall request one from the Contractor. The second Operator must be approved in writing on a general message signed by the Logistics Section Chief, or documented on the Resource Order.

Minimum Gallons	Daily Rate	Additional Operator
1000	\$1,914	\$400
2500	\$2,217	\$400
3500	\$2,588	\$400
5000	\$2,733	\$400

Vendor is required to accept Visa or MasterCard credit cards for payment of fuel at the worksite. Other methods of payment may only be used with approval from the Incident Business Advisor or Agency Administrator. Fuel prices will be established at the current commercial rate. This process will replace the use of Emergency Equipment Fuel & Oil Issue, OF-304.

Contractors, Cooperators, and Government employees are required to use credit cards for the purchase of fuel from the fuel tender at all incidents where Washington State Department of Natural Resources or Washington State Mobilization is the payment agency.

## EMERGENCY MEDICAL SERVICES

### Ambulance

#### Standard Method of Hire

1. All operating supplies, including fuel
2. The resource order must specify whether ordering Advance Life Support (ALS) or Basic Life Support (BLS) ambulance
3. Ambulances include cost of BLS and/or ALS Kits
4. Replenishment of materials used at the incident to provide care are not included in the daily rate. Items are to be replenished by the incident. If items cannot be replenished at the incident, S#'s will be provided.

TYPE	Daily Single Shift w/Staff	Daily Double Shift w/Staff	Daily Single Shift w/o Staff	Daily Double Shift w/o Staff
ALS	\$3,700	\$6,327	\$2,300	\$3,933
BLS	\$2,800	\$4,788	\$1,400	\$2,394

Medical Certification (Minimum)	Ambulance Equipped	Staffing Levels	
		EMR	EMT/Medic
<p><b>Line EMT or Paramedic</b> When an EMT or Paramedic is needed on the line with the crews that are actively working an incident the EMTs and paramedics must be equipped with medications and supplies appropriate for their level of certification per controlling MPD protocols.</p>	No	N/A	Varies upon the request and mission
<p><b>BLS Support</b> When the BLS service is needed in a camp, triage center, drug distribution point or to assist the MEDL where transportation is not needed or away from the line, and not needing transportation.  EMTs and Medics may be requested with or without an ambulance depending upon their assignment.</p>	No	Varies upon the request and mission	
<p><b>BLS Support</b> When the BLS service is to provide first aid at a camp, triage center, drug distribution point or to assist the MEDL where an ambulance is needed.  BLS ambulance would be required to meet the equipment listed in Table A of WAC 246-976-300.</p>	Yes	Any combination of the following – minimum number needed is 2. 1 EMT + 1 EMR 2 EMTs	
<p><b>ALS Support</b> When the ALS service is requested for standing by or is actively engaged in patient care.  EMTs and paramedics must be equipped with medications and supplies appropriate for their level of certification per controlling MPD protocols.  It would be up to the MEDL to determine if the EMT or Paramedic meets this requirement.</p>	Yes Transport Capable	N/A	Any combination of the following – minimum number needed is 2. 1 EMT + 1 Medic 2 Medics

**KIT**

Standard Method of Hire

1. Replenishment of materials used at the incident are not included in the daily rate. If items cannot be replenished at the incident, S#'s will be provided by the incident.
2. If requested with an EMT or Paramedic, kit must come with a Resource Order
3. Refer to WAC 246.976 for required equipment list.

<p><b>Daily Guarantee</b></p> <p>BLS Kit \$ 60.00 ALS Kit \$200.00</p>
--

**Rapid Extraction Module Support (REMS)**

Standard Method of Hire

1. Includes extraction equipment, UTV, and ALS/BLS Kits
2. Daily rate
3. Without operator
4. 4x4 Vehicle(s) – Reimbursement limited to two vehicles, refer to Command Vehicle table for rates (see page 25).
5. 4X4 Utility Terrain Vehicle (UTV) Side-by-Side must have adequate roll-over protection system on the cab.
6. Vehicle being used for re-crewing will be paid at the Support Vehicle rate.

Type	Min Staffing	Daily Rate
Rapid Extraction Module Support	4	\$1,300

Minimum training/qualifications of REMS personnel:

- All personnel must Emergency Medical Technicians Fireline Qualified (EMTF or AEMF) or higher
- All personnel must be NWCG Firefighter Type 2 or higher
- 1 person must be Paramedic Fireline Qualified (EMPF)
- 1 person must be NWCG Firefighter Type 1
- 2 personnel must be Technician Level in Rope Rescue (NFPA 1006)
- 2 personnel must be Operations Level in Rope Rescue (NFPA 1006)

Refer to PNW Rapid Extraction Module Support (REMS) for specific guidance on PPE and Standard Equipment List.

## COMMAND POST RATES

### Mobile Command Post

Minimum Capabilities	Type 1	Type 2	Type 3	Type 4
<b>Daily Rate</b>	\$1,100	\$850	\$600	\$400
<b>Chassis</b>	45'-53' custom trailer, bus chassis, conventional cab/van chassis, or diesel motorhome chassis with or without slide-out room	35'-40' motorhome chassis with or without slide-out room	25'-35' gas or diesel motorhome chassis or custom trailer	Converted SUV, Travel Trailer, or 25'-40' custom built trailer
<b>Number of Console and/or Work Stations</b>	6-10	4-6	2-4	1-2
<b>Private Meeting Area for Command Staff</b>	Yes	Yes	No	No
<b>RF Communications</b>	RF commo with adjoining agencies, state agencies through mutual aid transreceiver, and other frequencies	RF commo with adjoining agencies, state agencies through mutual aid transreceiver, and other frequencies	RF commo with adjoining agencies and state agencies through mutual aid transreceiver	RF commo with adjoining agencies and within jurisdiction
<b>Internet Access</b>	High bandwidth capabilities via satellite such as INMARSAT or V-Sat	High bandwidth capabilities via satellite such as INMARSAT or V-Sat; Faxing through cell or satellite system (4800 bps)	Cellular system; Faxing through cell or satellite system (4800 bps)	Via cellular system (portable)
<b>Computer/Server Capabilities</b>	Same as Type 3	Same as Type 3	Hardwired and wireless LAN. Workstations should have Ethernet connection and 120 vac protected receptacle. All computer based software packages pre-installed.	Basic computer systems only (power source must be provided from outside the vehicle)
<b>Equipment</b>	*High speed copier, fax machine, chairs, tables, and office supplies	*High speed copier, fax machine, chairs, tables, and office supplies	*High speed copier, fax machine, chairs, tables, and nominal office	Chairs, tables, and nominal office supplies
<b>Additional Equipment</b>	An additional \$100/day will be added to the daily rate for plotters (dry rate)			

\* Per copy charge allowed in addition to daily rate for command post

All types should be capable of:

- Operating in an environment with little to no basic services, including no electrical service, no phone lines, and no cell towers.
- Providing own power generation and fuel supply to operate a minimum of 2-3 days without refueling.
- Sustaining long-term deployment as well as short-term responses.
- Facilitating communications between multiple agencies (Federal, State, County, and Municipal).
- Minimal set up time.

**Equipment must be in actual operation performing required work in order to be eligible for reimbursement. Labor costs of personnel are not included.**

**Mileage**

*Mobile Command Post (Bus/Motorhome)*

Type	Mileage
1	\$3.80
2	\$3.30
3	\$2.80
4	\$2.30

*Tow Vehicle*

Type	Mileage
1	\$1.18
2	\$1.18
3	\$1.10
4	\$1.10

**Fuel Cost Adjustment – Tow Vehicles**

Type	\$4.51 – \$4.75	\$4.76 – \$5.00	\$5.01 – \$5.25	\$5.26 – \$5.50	\$5.51 – \$5.75	\$5.76 – \$6.00
1 – 2	\$1.20	\$1.22	\$1.24	\$1.26	\$1.28	\$1.30
3 – 4	\$1.12	\$1.14	\$1.16	\$1.18	\$1.20	\$1.22

The FCA applies to travel to and from the incident only for tow vehicles. The rate shall be applied to the mileage from the home unit to the incident. The DNR and the WSP will post the applicable rate on their websites weekly. For more information on the FCA and how it should be applied, please refer to the Fuel Cost Adjustment Job Aid, also available on the DNR and WSP websites.

**Water Handling/Supply Cache**

Type	Equipment	Daily Rate	Reimbursement for Consumables
<b>Towing Unit Only</b>	None	Mileage	No
<b>Trailer</b>	Refer to Appendix “O” of the Plan for a Water Handling/Supply Cache inventory listing. Less than complete inventory will reduce the Daily Rate.	\$500	Yes and damaged equipment

Staffing: One person to staff Cache, who is responsible for checking equipment in and out, maintaining inventory control. Expectation is that the vehicle/staff may be used for deliveries and errands.

## DNR EQUIPMENT RATES

<b>DNR FIRE CACHE EQUIPMENT</b>	
<b>THESE ARE BLOCK COSTS FOR NON-CONSUMABLE ITEMS AND ARE USED FOR COST ACCOUNTING PURPOSES ONLY, ACTUAL EXPENSES WILL BE BILLED</b>	
<b><u>ITEM</u></b>	<b><u>RATE</u></b>
Logistics/Cache Supply Unit Trailer	\$620 day
Logistics/Cache Supply Unit Trailer (Type 3)	\$425 day
Command/Communications Unit	\$525 day
Mobile Office Support Unit	\$425 day
Camp Utility Trailer	\$57 day
Kitchen Unit (does not include crew or food)	\$1935 day
Refrigeration Unit	\$525 day
Yurt	\$198 day
Tank (Folding 1000 Gal)	\$65 day
Tank (Folding 1500 Gal)	\$65 day
Pump (Mark III)	\$75 day
Pump (Volume)	\$75 day
Generator	\$50 day
Air Conditioning Units	\$50 day
Chainsaw	\$50 day
RAWS/Portable Weather Station	\$50 day
<b>INCARCERATED INDIVIDUALS RATES</b>	
The currently hourly rate for Incarcerated Individuals is no less than minimum wage per hour, when fighting fire and/or assigned to an incident as a member of a kitchen support crew.	
<b>DOC/DSHS SALARY INFORMATION</b>	
<b>These rates are for cost accounting purposes only, actual expenses will be billed.</b>	
Command Post for DOC Staff	\$50.00 Per Day

## **DNR EQUIPMENT PAYMENT PROVISIONS**

All equipment hired by the State will be paid according to the current year's Washington State Wage and Equipment Rate Guide rates contained within this document or by a rate established on an Interagency Equipment Rental Agreement. Any changes in rates that exceed those established must be accompanied by written justification, addressed to the Incident Business Advisor and the Agency Administrator attached to the OF-286 as well as a copy filed in the doc box. If equipment is hired under contracted rates, a copy of the contract must be attached to the OF-286 Emergency Equipment Use Invoice (EEUI). Washington Statewide Vendor Registration form must be completed at time of initial hire. Form and instructions found on the Washington State Office of Financial Management (OFM) webpage:

<https://ofm.wa.gov/it-systems/accounting-systems/statewide-vendorpayee-services>

### **RENTAL RATES**

PAY RATES are listed in the rate tables. Transports licensed as common carriers are paid based on the tariff schedule. Pay for equipment rented at hourly rates accrues only when the equipment is under hire and on shift.

EQUIPMENT NOT LISTED should be rented at a reasonable negotiated rate. Reasonable means a rate comparable to that paid for equipment listed that is similar in type, size or function. The Finance Section Chief or Incident Commander must document the negotiation. Rates in the rate tables are for new, or like new, equipment.

HIRE AT WET RATES. Wet means the owners furnish all necessary fuel, maintenance and repairs due to ordinary use on an incident. Time for servicing and repair work is non-compensable. No rental will accrue during any period when equipment is inoperable. If DNR fuels or services equipment on an incident a deduction for these services must be made on the Emergency Equipment Use Invoice OF-286. Fuel tickets and/or repair orders shall be attached to the OF-286.

### **SALES AND/OR USE TAX**

DNR is required to pay sales tax on certain purchased goods and services which will be determined at time of payment. Contact the Incident Business Advisor or Agency Administrator with any questions.

### **TIME RECORDING**

The State Agent responsible for ordering and/or directing use of each piece of equipment shall keep time on an Emergency Equipment Shift Ticket rounded as follows:

- Hourly Rate - nearest half hour
- Daily Rate - nearest half hour
- Mileage Rate - nearest mile

Record all time periods where the equipment is inoperable or unavailable.

All mileage, hourly or flat rate rental amounts will be kept on a daily shift basis. Mobilization and demobilization mileage/hours will be recorded separately.

The hours for all rented equipment shall be recorded on an Emergency Equipment Use Invoice, form OF-286. Make all entries on the OF-286 from a shift ticket signed by the Equipment Group Supervisor, Division Supervisor or Operations Section Chief. Hours worked shall be verified by contractor's or contractor's representative's signature.

NOTE: If operator is paid on an OF-288, in box 11 of the Equipment's OF-286 (Operator Furnished By?), check Government.

**TIME UNDER HIRE**

The time under hire shall start at the time the equipment begins traveling to the incident after being ordered by the State, and end at the estimated time of arrival back to the point of hire after being released, except:

- If equipment is brought to the fire without having a resource order, made available and subsequently hired, none of the travel is allowed. The incident becomes the point of hire.
- Equipment that fails the pre-use inspection and is not in safe and operable condition will not be reimbursed for travel and is not considered under hire.

No payment will accrue during any period that equipment is not in a safe or operable condition or when Contractor / Owner -furnished operator(s) is not available **for the assigned shift or portions of the assigned shift. Reimbursement will be based on the hours the equipment was operational during the assigned shift, as documented in the Incident Action Plan.**

**Example:**

*The assigned shift in the Incident Action Plan was from 0600 to 1800 hours (12 hours) and the equipment was broken down from 0900 to 1800 hours (9 hours) during the assigned shift. Therefore, the Daily Rate or Guarantee would be 3/12 or ¼ of the amount shown.*

If the owner withdraws equipment and/or operator(s) prior to being released by the State, no further payment shall accrue and the owner shall bear all costs of returning equipment and/or operator(s) to the point of hire.

After inspection and acceptance for use, equipment and/or furnished operator(s) that cannot be replaced or equipment that cannot be repaired at the site of work within 24 hours may be demobed. The State will bear the costs of returning equipment and/or operator(s) to the point of hire as promptly as emergency conditions will allow.

**ON SHIFT**

On shift time for equipment hired by the hour includes time of actual work, time that equipment is held or directed to be in a state of readiness, and compensable travel (mobilization) that has a specific start and ending time. Transported equipment is not on shift while being transported and is not compensated for travel.

**Note: Equipment ordered for a single shift but is on shift for more than 16 hours in a 24-hour period does not receive additional compensation.**

**DAILY GUARANTEE**

Daily guarantee for equipment hired by the hour is noted in the rate tables. Daily minimum guarantee applies only to equipment hired at an hourly rate and on incidents that require extended attack. The daily minimum payment is used in lieu of standby rates for equipment rental. A daily minimum will be paid to provide fair compensation when an operator/owner makes equipment available for use, but the resulting use is less than expected during a calendar day. If compensated hours are more than the daily minimum listed, then actual hours worked are to be paid. If compensated hours are less than the daily minimum listed, then the daily minimum hours are paid. Daily guarantee is adjusted when equipment is under hire for less than 8 hours in a day. Interagency contracts may have a guarantee that is different from daily minimum listed in the rate tables. Read the contracts for detail.

**STANDBY RATE**

Standby rate for dozers hired by the day is noted in the rate table on page 4. When the event that caused resources to be put on standby is determined to be over, that dispatch center calls the resources to notify them that they are no longer on standby and documents that date/time information so the host unit can show the hours/days the resources were on actual standby and has documentation of when that standby period ended.

## **DAILY RATE**

Daily Rate payment will be made on a basis of calendar days (0001 - 2400). For fractional days, payment will be based on 50 percent of the Daily Rate for periods less than 8 hours under hire.

- **Daily Rate** may be with or without operator
- **Daily Rate Single Shift** - (SS) is staffed with one operator and/or one crew (a single shift could be up to 16 hours long and may cross calendar days).
- **Daily Rate Double Shift** - (DS) is staffed with two operators or two crews (one per shift). The DS rate will apply any calendar day the DS was **ordered** and under hire, including travel.

Agency personnel at the Section Chief Level may, by written order, authorize a second operator or crew (Double Shift), if needed during the assignment. This must be documented on a resource order, or a general message signed by the Operations Section Chief or Incident Commander.

## **CASUAL HIRES AND EQUIPMENT**

DNR **cannot** pay employees for equipment other than normal travel expenses. Casual hires are considered DNR employees, therefore any mileage or travel expenses must be paid through the travel voucher process (A20-A) following state travel rules. Daily shift tickets are required for back up documentation. If the person being hired is going to be paid for any equipment other than normal travel, they must be paid as a contractor through the Vendor Pay system using an OF-286, A19 or company invoice. These payments are 1099 reportable, no taxes will be deducted and the income information will be sent to the Internal Revenue Service.

## **HIRING EQUIPMENT TO NON BUSINESS OPERATORS**

When equipment is being paid to a non-business operator, labor and equipment must be paid through the Vendor Pay system. The hours must be recorded and forwarded to DNR Financial Management Division Payroll section to ensure these operators are covered by L&I.

## **VEHICLES BELONGING TO OPERATIONS & CASUALS**

All Casual Hires will be reimbursed for their vehicle mileage through a travel expense voucher; Form A20- A (regular State employees and casuals) as specified in the state travel rules. Daily shift tickets are required.

## **TRANSPORTATION VEHICLES WITH OPERATOR**

Vehicle with Emergency Firefighter Operators hired for the sole purpose for the use of the vehicle should be paid at the daily rate plus mileage at the appropriate rate for the size class of vehicle. This rate includes vehicle, operator for one shift, fuel, supplies and applicable insurance. A State Payee Registration and W- 9 form must be completed at time of initial hire. Form and instructions found on the Washington State Office of Financial Management (OFM) webpage:

<https://ofm.wa.gov/it-systems/accounting-systems/statewide-vendorpayee-services>

## **HEAVY EQUIPMENT/TRANSPORTS**

When a transport and another piece of heavy equipment, such as a dozer, are provided with a single operator to operate BOTH pieces of equipment, adjustments to the payment amount will be made as follows: Dozer or other heavy equipment will be paid at the actual rate, and the transport rate will be reduced by \$462 per shift, and \$792 for a double shift. Rate is not reduced when equipment is only used for half a shift.

Only transport charges to haul-in and haul-out are eligible for reimbursement. Once the equipment is unloaded, the transport will be released unless otherwise directed in writing to remain. If the incident requires, transports may be hired for availability and equipment hauls.

## **SERVICE VEHICLES**

The rate of pay shown for heavy equipment includes service vehicles. No additional payment will be made for a service vehicle (or operator) that accompanies the heavy equipment to the incident.

## **PILOT/FLAG VEHICLE(S)**

The pay rate includes pilot/flag vehicles. No additional payment will be made for pilot/flag vehicles or operators.

## **ENGINE/TENDER INVENTORIES/ACCESSORIES**

**Applies to DNR and WFS**

### **ENGINES**

#### **Accessories required if the pump is operated by an auxiliary engine:**

Sufficient extra spark plugs to replace all plugs in engine in any auxiliary pump engines used

- 1 - wrench, adjustable, 10"
- 1 - wrench, spark plug, unless the adjustable wrench is suitable for use with spark plugs
- 1 - pliers, slip joint, 6"
- 2 - quarts oil, crankcase, if engine is the type that requires crankcase oil
- 1 - screwdriver, blade type, 4"
- 1 - screwdriver, phillips type, 4"
- 2 - rope starters, if engine can be started with a rope
- 1 - gun, grease (filled), if the pump type requires periodic greasing

These accessories shall be stored on or near the pump in a suitable compartment or box. A list of the contents shall be posted inside the compartment or box and be visible when the storage compartment is open.

### **PERSONAL PROTECTIVE EQUIPMENT AND CLOTHING**

- Boots, leather, lace-up type, minimum 8" high, with lug-type sole
- Hard Hat, PLASTIC, with chinstrap – 1 per person
- Gloves, leather - 1 pair per person
- Goggles – 1 pair per person
- Canteen, one-quart size - 1 per person
- Fire Shelters – 1 per person
- Flame Resistant Clothing (shirt and trousers)

### **MANDATORY ACCESSORIES FOR ALL ENGINES**

- Fuel to operate for 12 working hours
- 1 - suction screen to match capacity of pump
- 1 - spanner wrench, suitable to fit ALL sizes of hose supplied
- 1 - hose clamp
- 1 - compartment box for accessories with visible list of contents

### **MINIMUM ENGINE INVENTORY**

- Hose: 400' – 1-1/2"
- Nozzles: Combination Fog/Straight Steam – 4 each, 1"
- Suction Hose with Screened Foot Valve or Strainer: 24' of 2-1/2"
- Shovels: 2 each (size 0)
- Pulaski: 2 each
- Fire Hose Clamp: 1 each
- Spanner Wrench: Combination, 1 each, 1" to 1-1/2"
- Live Reel/Basket Hose: 200', 1" NPSH
- Adapters: 2 each, 1-1/2" NF Female to 1-1/2" NPSH Male
- Adapters: 2 each, 1-1/2" NPSH female to 1-1/2" NH Male
- Double Male: 1 each, 1-1/2" NH
- Double Female: 1 each, 1-1/2" NH
- Double Male: 1 each, 1" NPSH
- Double Female: 1 each, 1" NPSH
- Gated Wye: 4 each, 1-1/2" NH
- Reducers: 4 each, 1-1/2" NH to 1" NPSH Male
- Adapters: 2 each, ¼ turn to 1-1/2" NH (1 Female and 1 Male)

**ENGINE/TENDER INVENTORIES/ACCESSORIES (CONT)****MINIMUM ENGINE INVENTORY (CONT.)**

Backpack Pumps: 2 each  
 Drinking Water: 1 Gallon Canteen, filled  
 First Aid Kit: 1 each, 5-person  
 Head Lamps: 3 each (w/batteries)  
 Fuel to operate pump and engine (minimum 5 gallons)  
 Fire Shelter – 1 per person (NFPA Approved)

**TENDERS:**

	<b>TYPE</b>	<b>EACH</b>	<b>SIZE</b>
Pump GPM	ALL		200 GPM

	<b>TYPE</b>	<b>EACH</b>	<b>SIZE</b>
Discharge Outlets	1	2	1 1/2" NH thread
		1	2 1/2" NH thread
	2 & 3	2	1 1/2" NH thread

	<b>TYPE</b>	<b>EACH</b>	<b>SIZE</b>
Hose	ALL		200' - 1 1.2" NH thread
			30' - 2 1/2" NH thread

	<b>TYPE</b>	<b>EACH</b>	<b>SIZE</b>
1" Combination Nozzle	ALL	1	1 1/2" NH thread

	<b>TYPE</b>	<b>SIZE</b>
Suction Hose w/Screened Foot Valve or Strainer	ALL	24'

	<b>TYPE</b>	<b>EACH</b>	<b>SIZE</b>
Adapters:	ALL	2	1/4 TURN 1 1/2" NH adapter 1 female, 1 male
		1	1 1/2" NH Double Male
		1	1 1/2" NH Double Female
		1	1 1/2" NH Gated Wye
		2	2 1/2" NH to 1 1/2" NH Reducer
		2	1 1/2" NH Female to 1 1/2" NPSH Male Adapter

	<b>EACH</b>	
Firefighting Tools:	1	Shovel (size 0)
	1	Pulaski
	1	Fire Shelter

**ENGINE/TENDER INVENTORIES/ACCESSORIES (CONT)**

**MANDATORY ACCESSORIES REQUIRED TO BE WITH EACH TENDER**

- Fuel to operate the pump and engine for 12 working hours
- 1 (one) suction screen suitable to match the capacity of the pump
- 1 spanner wrench, suitable to fit each size hose supplied, including suction hose
- 1 hose clamp
- 1 hydrant wrench

**THE FOLLOWING ARE SPECIFIC SAFETY ITEMS REQUIRED FOR VEHICLES:**

- Reflective flares, 1 set of 3
- Fire extinguisher (4BC or better)
- Wheel chocks
- Warning Device

## **WFS EQUIPMENT PAYMENT PROVISIONS**

All equipment hired by the Washington State Patrol will be paid according to the Washington State Wage and Equipment Rates. If equipment is hired under contracted rates, a copy of the contract must be attached to the OF-286 - Emergency Equipment Use Invoice (EEUI). Any changes in rates that exceed those established must be accompanied by written justification, addressed to the Incident Business Advisor and the Agency Administrator attached to the OF-286 as well as a copy filed in the doc box. An OFM Payee Registration must be completed at time of initial hire and submitted to OFM by the individual/vendor at the following address: [payeeforms@ofm.wa.gov](mailto:payeeforms@ofm.wa.gov).

### **Rental Rates**

Pay Rates are listed in the rate tables. Transports licensed as common carriers are paid based on the tariff schedule. Pay for equipment rented at hourly rates accrues only when the equipment is under hire and on shift.

### **Sales and/or Use Tax**

WSP is required to pay sales tax on certain purchased goods and services which will be determined at the time of payment.

### **Equipment Not Listed**

Equipment not listed should be hired at rates listed in the current FEMA Schedule of Equipment Rates. If the equipment is not listed in this rate table, the rates should be rented at a reasonable negotiated rate. Reasonable means a rate comparable to that paid for equipment listed that is similar in type, size or function. If this is a Mobilization incident, negotiations should include at least the Incident Commander and the Finance Section Chief (FSC). The FSC must document the negotiation and it must be approved by the Mobilization Representative. Rates in the rate tables are for new, or like new, equipment.

### **Hire at Wet Rates**

Wet means the owners furnish all necessary fuel, maintenance and repairs due to ordinary use on an incident. Time for servicing and repair work is non-compensable. No rental will accrue during any period when equipment is inoperable. The cost of mechanical or other physical damage repair is deemed to be included within the cost of the wet rate; there is no reimbursement for these costs. If State Fire Mobilization fuels or services equipment on an incident, a deduction for these services must be made on the Emergency Equipment Use Invoice, OF-286. Fuel tickets and/or repair orders shall be attached to the OF-286.

**Equipment/Apparatus hired will be used on: unimproved roads, steep, hilly, rocky terrain, and subject to extreme heat, dust, and smoky conditions.**

### **Paid As Ordered**

Units are paid based on the resource order. If a unit has the ability to operate in an upgraded capacity, and the assignment requires the unit to operate in the upgraded capacity, the unit will be compensated at the appropriate rate and the resource order will need to be revised.

### **Time Recording**

The State Agent responsible for ordering and/or directing use of each piece of equipment shall keep time on an Emergency Equipment Shift Ticket rounded as follows:

- Hourly Rate – nearest quarter hour
- Daily Rate – nearest half hour
- Mileage Rate – nearest mile

Record all time periods where the equipment is inoperable or unavailable.

All mileage, hourly or flat rate rental amounts will be kept on a daily basis. Mobilization and demobilization mileage/hours will be recorded separately.

The hours for all rented equipment shall be recorded on an Emergency Equipment Use Invoice, form OF-286. Make all entries on the OF-286 from a shift ticket signed by the Equipment Group Supervisor, Division Supervisor or Operations Section Chief. Hours worked shall be verified by contractor's or contractor's representative's signature.

### **Time Under Hire**

The time under hire shall start at the time the equipment begins traveling to the incident after being ordered by State Fire Mobilization, and end at the estimated time of arrival back to the point of hire after being released, except:

- If equipment is brought to the fire, made available and subsequently hired, no travel is allowed. The incident becomes the point of hire.
- Equipment that fails the pre-use inspection and is not in safe and operable condition will not be reimbursed for travel and is not considered under hire.

No payment will accrue during any period that equipment is not in a safe or operable condition or when Contractor/Owner -furnished operator(s) is not available for the assigned shift or portions of the assigned shift. Reimbursement will be based on the hours the equipment was operational during the assigned shift, as documented in the Incident Action Plan.

### **Example:**

*The assigned shift in the Incident Action plan was from 0600 to 1800 hours (12 hours) and the equipment was broken down from 0900 to 1800 hours (9 hours) during the assigned shift. Therefore, the Daily Rate would be ¼ of the amount shown.*

If the owner withdraws equipment and/or operator(s) prior to being released by the State, no further payment shall accrue and the owner shall bear all costs of returning equipment and/or operator(s) to the point of hire.

After inspection and acceptance for use, equipment and/or furnished operator(s) that cannot be replaced or equipment that cannot be repaired at the site of work within 24 hours may be demobed. The State will bear the costs of returning equipment and/or operator(s) to the point of hire as promptly as emergency conditions will allow.

### **On Shift**

On shift time for equipment hired by the hour includes time of actual work, time that equipment is held or directed to be in a state of readiness, and compensable travel (mobilization) that has a specific start and ending time. Transported equipment is not on shift while being transported and is not compensated for travel. *Note: Equipment ordered for a single shift but is on shift for more than 16 hours in a 24-hour period does not receive additional compensation.*

### **Daily Guarantee**

Daily guarantee for equipment hired by the hour is noted in the rate tables. Daily minimum guarantee applies only to equipment hired at an hourly rate and on incidents that require extended attack. The daily minimum payment is used in lieu of standby rates for equipment rental. A daily minimum will be paid to provide fair compensation when an operator/owner makes equipment available for use, but the resulting use is less than expected during a calendar day. If compensated hours are more than the daily minimum listed, then actual hours worked are to be paid. If compensated hours are less than the daily minimum listed, then the daily minimum hours are paid. Interagency contracts may have a guarantee that is different from daily minimum listed in the rate tables. Read the contracts for detail.

### **Daily Rate**

Daily Rate payment will be made on a basis of calendar days (0001-2400). For fractional days, payment will be based on 50 percent of the Daily Rate for periods less than 8 hours under hire.

- Daily Rate may be with or without operator
- Daily Rate Single Shift (SS) – Staffed with one operator and/or one crew. A SS could be up to 16 hours long and may cross calendar days (See On Shift)

- Daily Rate Double Shift (DS) – Staffed with two operators or two crews (one per shift). The DS rate will apply any calendar day the DS was ordered and under hire, including travel.
- *If equipment is hired on a non-mobilization incident, an hourly rate can be calculated by dividing the daily rate by 14.*

Incident command staff at the Section Chief level may, by written order, authorize a second operator or crew (DS), if needed during the assignment. This must be documented on a resource order, or a general message signed by the Operations Section Chief or Incident Commander.

#### **Heavy Equipment/Transports**

When a transport and another piece of heavy equipment, such as a dozer, are provided with a single operator to operate BOTH pieces of equipment, adjustments to the payment amount will be made as follows: Dozer or other heavy equipment will be paid at the actual rate, and the transport rate will be reduced by \$462 per shift and \$792 for a double shift. Rate is not reduced when equipment is only used for a half shift.

Only transport charges to haul-in and haul-out are eligible for reimbursement. Once the equipment is unloaded, the transport will be released unless otherwise directed in writing to remain. If the incident requires, transports may be hired for availability and equipment hauls.

#### **Service Vehicles**

The rate of pay shown for heavy equipment includes service vehicles. No additional payment will be made for a service vehicle (or operator) that accompanies the heavy equipment to the incident.

#### **Pilot/Flag Vehicle(s)**

The pay rate includes pilot/flag vehicles. No additional payment will be made for pilot/flag vehicles or operators.
