SECTION 3 – BID EVALUATION

This section identifies how WSP will evaluate bids for this Competitive Solicitation.

- 3.1. **OVERVIEW.** WSP will evaluate bids for this Competitive Solicitation as described below.
- Bidder responsiveness, performance requirements, price factors, and responsibility, will be evaluated based on the process described herein.
 - Any bidder whose bid is determined to be non-responsive will be rejected and will be notified of the reasons for this rejection.
 - WSP reserves the right to: (1) Request clarification regarding any bid; (2) Waive any informality; (3) Reject any or all bids, or portions thereof; (4) Accept any portion of the bid unless the bidder stipulates all or nothing in their bid; (5) Cancel the Competitive Solicitation and, if desired, re-solicit bids; and/or (6) Negotiate with the lowest responsive and responsible bidder(s) to determine if such bid can be improved.
 - WSP will use the following process and evaluation criteria to determine eligibility for an award of the Contract:

3.2. **BID RESPONSIVENESS/RESPONSIBILITY (STEP 1).** WSP will review bids – on a pass/fail basis – to determine whether the bid is ‘responsive’ to this Competitive Solicitation. This means that WSP will review each bid to determine whether the bid is complete – i.e., does the bid include each of the required bid submittals, are the submittals complete, signed, legible. WSP reserves the right – in its sole discretion – to determine whether a bid is responsive – i.e., to determine a bidder’s compliance with the requirements specified in this Competitive Solicitation and to waive informalities in a bid. An informality is an immaterial variation from the exact requirements of the Competitive Solicitation, having no effect or merely a minor or negligible effect on quality, quantity, or delivery of the goods or the quality, capability, or performance of the services being procured, and the correction or waiver of which would not affect the relative standing of, or be otherwise prejudicial, to bidders.

3.3. **PERFORMANCE REQUIREMENTS EVALUATION (STEP 2).** WSP will evaluate each bid to ensure that each bidder’s goods meet the specifications and/or performance requirements set forth in *Exhibit B – Performance Requirements*. WSP reserves the right to request additional information or perform tests and measurements before selecting the Apparent Successful Bidder. A bidder’s failure to provide requested information to WSP within ten (10) business days may result in disqualification.

- 3.4. **BID PRICING EVALUATION (STEP 3).** WSP will evaluate bid pricing by reviewing and comparing the submitted bid prices provided in *Exhibit C-Bid Price*.
- 3.5. **WASHINGTON STATE PROCUREMENT PRIORITIES & PREFERENCES (STEP 4).** WSP will apply the following Washington State procurement priorities and preferences, as set forth below, to this Competitive Solicitation
- **PROCUREMENT PREFERENCE FOR EXECUTIVE ORDER 18-03** (Firms without Mandatory Individual Arbitration for Employees). Pursuant to RCW 39.26.160(3) (best value criteria) and consistent with [Executive Order 18-03 – Supporting Workers’ Rights to Effectively Address Workplace Violations](#) (dated June 12, 2018), WSP will evaluate bids for best value and will provide a bid preference in the amount of 5 points to any bidder who certifies, pursuant to **Exhibit A-1 – Bidder’s Certification**, that their firm does **NOT** require its employees, as a condition of employment, to sign or agree to mandatory individual arbitration clauses or class or collective action waivers.
 - **WASHINGTON SMALL BUSINESSES.** In furtherance of Washington’s business inclusion goals WSP will evaluate bids for best value and will provide a bid preference in the amount of 5 points to any bidder who certifies, pursuant to **Exhibit A-1 – Bidder’s Certification**, that Bidder qualifies as a ‘Washington Small Business’ as set forth in **Exhibit A-1 – Bidder’s Certification**.
 - **CERTIFIED VETERAN-OWNED BUSINESSES.** In furtherance of Washington’s business inclusion goals, WSP will evaluate bids for best value and will provide a bid preference in the amount of 5 points to any bidder who certifies, pursuant to **Exhibit A-1 – Bidder’s Certification**, that Bidder qualifies as a Washington Department of Veterans’ Affairs Certified Veteran-Owned Business.
 - **STATUTORY PREFERENCE FOR PCB-FREE PRODUCTS & PRODUCTS-IN-PACKAGING.** Pursuant to RCW 39.26.280, WSP is providing a bid preference in the amount of 5 points to any bidder who certifies, pursuant to **Exhibit A-1 – Bidder’s Certification**, that Bidder’s products or products-in-packaging do not contain Polychlorinated Biphenyls (PCBs).
- 3.6. **BIDDER RESPONSIBILITY ANALYSIS (STEP 5).** For responsive bids, WSP must determine whether the bidder is a ‘responsible bidder.’ Accordingly, WSP will make reasonable inquiry to determine bidder responsibility on a pass/fail basis. In determining bidder responsibility, WSP will consider the following statutory elements:
- Bidder’s ability, capacity, and skill to perform the contract or provide the service required;
 - Bidder’s character, integrity, reputation, judgment, experience, and efficiency;
 - Bidder’s ability to perform the contract within the time specified;
 - Bidder’s performance quality pertaining to previous contracts or services;
 - Bidder’s compliance with laws relating to the contract or services;
 - Whether, within the three-year period immediately preceding the date of the Competitive Solicitation, bidder has been determined by a final and binding

citation and notice of assessment issued by the Washington State Department of Labor and Industries or through a civil judgment entered by a court of limited or general jurisdiction to have willfully violated, as defined in RCW 49.48.082, any provision of chapter 49.46, 49.48, or 49.52 RCW; and

- Such other information as may be secured having a bearing on the decision to award the Contract.

See RCW 39.26.160(2)(a)-(g). In addition, WSP may consider the following:

- Financial Information: WSP may request financial statements, credit ratings, references, record of past performance, clarification of bidder's bid, on-site inspection of bidder's or subcontractor's facilities, or other information as necessary to determine bidder's capacity to perform and the enforceability of bidder's contractual commitments. Failure to respond to these requests may result in a bid being rejected as non-responsive.
- References: WSP reserves the right to use references to confirm satisfactory customer service, performance, satisfaction with service/product, knowledge of products/service/industry and timeliness. Any negative or unsatisfactory reference can be reason for rejecting a bidder as non-responsible.

3.7. **CONTRACT NEGOTIATIONS (STEP 6).** WSP may negotiate with the highest scored responsive, responsible bidder to finalize the Contract and to determine if the bid may be improved. If, after a reasonable period of time, WSP, in its sole judgement, cannot reach agreement on acceptable Contract terms with such bidder, WSP may suspend negotiations and undertake negotiations with the next highest scored responsive, responsible bidder as determined by the evaluations.

3.8. **ANNOUNCEMENT OF APPARENT SUCCESSFUL BIDDER.** WSP will determine the Apparent Successful Bidder ("ASB"). The ASB will be the responsive and responsible bidder(s) that best meet(s) the Competitive Solicitation requirements and presents the best total value, including price, as calculated consistent with the instructions set forth in **Exhibit C – Bid Price**, and other factors as set forth in this Competitive Solicitation including any applicable state procurement priority or preference.

- Designation as an ASB does not imply that WSP will issue an award for a Contract. Rather, this designation allows WSP to perform further analysis and ask for additional documentation. The bidder must not construe ASB designation as an award, impending award, attempt to negotiate, etc. If a bidder acts or fails to act as a result of such notification or designation, it does so at its own risk and expense.
- Upon ASB announcement, bidders may request a debrief conference as specified in [Section 5](#).

3.9. **AWARD OF CONTRACT.** Subject to protests, if any, WSP and the ASB will enter into a Contract as set forth in **Exhibit D – Purchase Order**. An award is made and a contract formed by signature of WSP and the awarded bidder on the Contract. Following the Contract award, all bidders registered in WEBS will receive a Notice of Award delivered to the bidder's email address provided in the bidder's profile in WEBS.

- 3.10. **BID INFORMATION AVAILABILITY.** Upon WSP’s announcement of ASB, all bid submissions and all bid evaluations are subject to public disclosure pursuant to Washington’s Public Records Act. See RCW 39.26.030(2). Upon announcement of ASBs, WSP will post all bid evaluations to WEBS.

SECTION 4 – HOW TO PREPARE AND SUBMIT A BID FOR THIS COMPETITIVE SOLICITATION

This section identifies how to prepare and submit your bid for this Competitive Solicitation. In addition, bidders will need to review and follow the Competitive Solicitation requirements including those set forth in the exhibits, which identifies the information that bidders must provide to the Procurement Coordinator to constitute a responsive bid. By responding to this Competitive Solicitation and submitting a bid, bidders acknowledge having read and understood the entire Competitive Solicitation and accept all information contained within this Competitive Solicitation.

- 4.1. **BIDDER COMMUNICATIONS REGARDING THIS COMPETITIVE SOLICITATION.** During the Competitive Solicitation process, all bidder communications regarding this Competitive Solicitation must be directed to the Procurement Coordinator specified in Section 1.2 of this Competitive Solicitation. Bidders should rely only on this Competitive Solicitation and written amendments to this Competitive Solicitation issued by the Procurement Coordinator. In no event will oral communications regarding this Competitive Solicitation be binding.
- Bidders are encouraged to make any inquiry regarding the Competitive Solicitation as early in the process as possible to allow WSP to consider and, if warranted, respond to the inquiry. If a bidder does not notify the Procurement Coordinator of an issue, exception, addition, or omission, such matter may be considered to be waived by the bidder for protest purposes.
 - If bidder inquiries result in changes to the Competitive Solicitation, written amendments will be issued and posted on WEBS.
 - Unauthorized bidder contact regarding this Competitive Solicitation with other state employees involved with the Competitive Solicitation may result in bidder disqualification.
- 4.2. **PRICING.** Bid prices must include all cost components needed for the goods and/or services as described in this Competitive Solicitation. See **Exhibit C – Bid Price**. A bidder’s failure to identify all costs in a manner consistent with the instructions in this Competitive Solicitation is sufficient grounds for disqualification.
- **Inclusive Pricing:** Bidders must identify and include all cost elements in their pricing. In the event that bidder is awarded a Contract, the total price for the goods and/or services shall be bidder’s price as submitted. Except as provided in the Contract, there shall be no additional costs of any kind.
- 4.3. **BID SUBMITTAL CHECKLIST – REQUIRED BID SUBMITTALS.** This section identifies the bid submittals that must be provided to the Procurement Coordinator to constitute a responsive bid. The submittals must be delivered as set forth below. Bids that do not include the submittals identified below may be rejected as nonresponsive. In addition, a bidder’s failure to complete any submittal as instructed may result in the bid being rejected. Bidders may not provide unsolicited materials.

For any supplemental materials expressly required by the Procurement Coordinator in writing, bidders must identify such supplemental materials with the bidder's name.

Note: This email only can accept emails (including attachments) that total less than 30MB in size. Bidders are cautioned to keep email sizes to less than 25MB to ease delivery. Zipped files cannot be accepted.

SECTION 5 – COMPLAINT, DEBRIEF, & PROTEST REQUIREMENTS

This section details the applicable requirements for complaints, debriefs, and protests.

- 5.1. **COMPLAINTS.** This Competitive Solicitation offers a complaint period for bidders wishing to voice objections to this Competitive Solicitation. The complaint period ends five (5) business days before the bid due date. The complaint period is an opportunity to voice objections, raise concerns, or suggest changes that were not addressed during the Question & Answer Period or, if applicable, at the Pre-Bid Conference. Failure by the bidder to raise a complaint at this stage may waive its right for later consideration. WSP will consider all complaints but is not required to modify or cancel the Competitive Solicitation. If bidder complaints result in changes to the Competitive Solicitation, written amendments to the Competitive Solicitation will be issued and posted on WEBS.
- a. **CRITERIA FOR COMPLAINT.** A complaint may be based only on one or more of the following grounds: (a) The Competitive Solicitation unnecessarily restricts competition; (b) The Competitive Solicitation evaluation or scoring process is unfair or flawed; or (c) The Competitive Solicitation requirements are inadequate or insufficient to prepare a response.
 - b. **INITIATING A COMPLAINT.** A complaint must: (a) Be submitted to and received by the Procurement Coordinator no less than five (5) business days prior to the deadline for bid submittal; and (b) Be in writing (see Form and Substance, and Other below). A complaint should clearly articulate the basis of the complaint and include a proposed remedy.
 - c. **RESPONSE.** When a complaint is received, the Procurement Coordinator (or designee) will consider all the facts available and respond in writing prior to the deadline for bid submittals, unless more time is needed. WSP is required to promptly post the response to a complaint on WEBS.
 - d. **RESPONSE IS FINAL.** The Procurement Coordinator's response to the complaint is final and not subject to administrative appeal. Issues raised in a complaint may not be raised again during the protest period. Furthermore, any issue, exception, addition, or omission not brought to the attention of the Procurement Coordinator prior to bid submittal may be deemed waived for protest purposes.
- 5.2. **DEBRIEF CONFERENCES.** A Debrief Conference is an opportunity for a bidder and WSP, through its Procurement Coordinator, to meet and discuss the bidder's bid (and, as further explained below, is a necessary prerequisite to filing a protest). Following the bid evaluation, WSP will issue an ASB announcement. That the ASB announcement may be made by any means, but WSP likely will use email to the bidder's email address provided in the Bidder's Profile. Bidders will have three (3) business days to request a Debrief Conference, if desired. If a Debrief Conference is timely requested, WSP will offer the requesting bidder one meeting opportunity and notify the bidder of the Debrief Conference place, date, and time. Please note, because the debrief process must occur before making an award, WSP likely will schedule the Debrief Conference shortly after the ASB announcement and the bidder's request for a Debrief Conference. WSP will not allow the debrief process to delay the Contract award. Accordingly, bidders should plan for contingencies and alternate representatives. **Bidders who wish to protest must first participate in a Debrief Conference. Bidders who are unwilling or unable to attend the Debrief Conference will lose the opportunity to protest. A debrief is a required prerequisite for a bidder wishing to file a protest.**

- a. **TIMING.** A Debrief Conference may be requested by a bidder following the Apparent Successful Bidder (ASB) announcement.
- b. **PURPOSE OF DEBRIEF CONFERENCE.** Any bidder who has submitted a timely bid response may request a Debrief Conference (see also Section 5.4 below). A Debrief Conference provides an opportunity for the bidder to meet with WSP to discuss bidder's bid and evaluation. It does not provide an opportunity to discuss other bids and evaluations.
- c. **REQUESTING A DEBRIEF CONFERENCE.** The request for a Debrief Conference must be made in writing via email to the Procurement Coordinator and received within three (3) business days after the ASB announcement. Debrief conferences may be conducted either in person at the WSP's offices in Tumwater, Washington, or virtually (e.g., by telephone or web-based virtual meeting such as Zoom, Skype, MS Teams), as determined by WSP, and may be limited by WSP to a specified period of time. A bidder's failure to request a Debrief Conference within the specified time and attend the Debrief Conference constitutes a waiver of the right to submit a protest. Any issue, exception, addition, or omission not brought to the attention of the procurement coordinator before or during the Debrief Conference may be deemed waived for protest purposes.

5.3. PROTESTS. Following a Debrief Conference, a bidder may protest the award of a Contract.

- a. **CRITERIA FOR A PROTEST.** A protest may be based only on one or more of the following: (a) Bias, discrimination, or conflict of interest on the part of an evaluator; (b) Error in computing evaluation scores; or (c) Non-compliance with any procedures described in the Competitive Solicitation.
- b. **INITIATING A PROTEST.** Any bidder may protest an award to the ASB. A protest must: (a) Be submitted to and received by the Protest Officer specified below, within five (5) business days after the protesting bidder's Debriefing Conference (see also Section 5.4 below); (b) Be in writing; (c) Include a specific and complete statement of facts forming the basis of the protest; and (d) Include a description of the relief or corrective action requested.
- c. **PROTEST RESPONSE.** After reviewing the protest and available facts, WSP's Protest Officer will issue a written response within ten (10) business days from receipt of the protest, unless additional time is needed.
- d. **DECISION IS FINAL.** The protest decision is final and not subject to administrative appeal. If the protesting bidder does not accept WSP's protest response, the bidder may seek relief in Thurston County Superior Court.

5.4. COMMUNICATION DURING COMPLAINTS, DEBRIEFS, AND PROTESTS. With the exception of protests, all communications about this Competitive Solicitation, including complaints and debriefs, must be addressed to the Procurement Coordinator unless otherwise directed. Protests must be addressed to the Protest Officer.

- a. **FORM, SUBSTANCE, & OTHER.** All complaints, debrief conference requests, and protests must:
 - i. Be in writing;
 - ii. Be signed by the complaining, requesting, or protesting bidder or an authorized agent;
 - iii. Be delivered within the time frame(s) outlined herein;

- iv. Identify the Competitive solicitation number;
 - v. Conspicuously state “Complaint,” “Debrief,” or “Protest” in any subject line of any correspondence or email; and

- b. COMPLAINTS & PROTESTS. All complaints and protests must (a) State all facts and arguments on which the complaining or protesting bidder is relying as the basis for its action; and (b) Include any relevant documentation or other supporting evidence.

SECTION 6 – DOING BUSINESS WITH THE STATE OF WASHINGTON

This section provides additional information regarding Washington’s Public Records Act and doing business with the State of Washington, including WSP’s efforts to enable Washington’s small, diverse, and veteran-owned businesses to compete for and participate in state procurements for goods/services.

6.1. WASHINGTON’S PUBLIC RECORDS ACT – PUBLIC RECORDS DISCLOSURE REQUESTS.

- All documents (written and electronic) submitted to the Procurement Coordinator and/or WSP as part of this procurement are public records. Unless statutorily exempt from disclosure, such records are subject to disclosure *if* requested. See [RCW 42.56](#), Public Records Act. WSP strongly discourages bidders from unnecessarily submitting sensitive information (e.g., information that bidder might categorize as ‘confidential,’ ‘proprietary,’ ‘sensitive,’ ‘trade secret,’ etc.).
 - If, in bidder’s judgment, Washington’s Public Records Act provides an applicable statutory exemption from disclosure for certain portions of bidder’s bid, please mark the precise portion(s) of the relevant page(s) of the bid that bidder believes are statutorily exempt from disclosure and identify the precise statutory basis for exemption from disclosure.
 - In addition, if, in bidder’s judgment, certain portions of bidder’s bid are not statutorily exempt from disclosure but are sensitive because these particular portions of bidder’s bid (NOT including pricing) include highly confidential, proprietary, or trade secret information (or the equivalent) that bidder protects through the regular use of confidentiality or similar agreements and routine enforcements through court enforcement actions, please mark the precise portion(s) of the relevant page(s) of bidder’s bid that include such sensitive information.
- In the event that WSP receives a public records disclosure request pertaining to information that bidder has submitted and marked either as (a) statutorily exempt from disclosure; or (b) sensitive, WSP, prior to disclosure, will do the following:
 - WSP’s Public Records Officer will review any records marked by bidder as statutorily exempt from disclosure. In those situations, where the designation comports with the stated statutory exemption from disclosure, WSP will redact or withhold the document(s) as appropriate.
 - For documents marked ‘sensitive’ or for documents where WSP either determines that no statutory exemption to disclosure applies or is unable to determine whether the stated statutory exemption to disclosure properly applies, WSP will notify bidder, at the address provided in the bid submittal, of the public records disclosure request and identify the date that WSP intends to release the document(s) (including documents marked ‘sensitive’ or exempt from disclosure) to the requester unless the bidder, at bidder’s sole expense, timely obtains a court order enjoining WSP from such disclosure. In the event bidder fails to timely file a motion for a court order enjoining such disclosure, WSP will release the requested document(s) on the date specified. Bidder’s failure properly to identify exempted or sensitive information and timely respond after notice of request for public disclosure has been given shall be deemed a waiver

by bidder of any claim that such materials are exempt or protected from disclosure.

6.2. **SMALL & DIVERSE BUSINESSES.** WSP, in accordance with Washington law, encourages small and diverse businesses to compete for and participate in state procurements as contractors and as subcontractors to awarded bidders. See, e.g., [RCW 39.19](#) (OMWBE certified businesses); [RCW 43.60A.200](#) (WDVA certified veteran-owned businesses); and [RCW 39.26.005](#) (Washington small businesses). In support of the state's economic goals and to support a diverse supplier pool, WSP has established the following voluntary numerical goals for WSP's Competitive Solicitations:

- Six point six percent (6.6%) Washington Small Businesses, five percent (5%) of which are microbusinesses or minibusinesses as defined in RCW 39.26.010(16) and (17);
- One point forty-seven percent (1.47%) Veteran-Owned Businesses certified by the Washington State Department of Veterans Affairs (WDVA)

Achievement of these goals is encouraged whether directly or through subcontractors.

- **OMWBE CERTIFICATION.** Bidders may contact the Washington State [Office of Minority and Women's Business Enterprises](#) (OMWBE) regarding information on Minority-Owned and Women-Owned certified firms, state and federal certification programs, or to become certified. OMWBE can be reached by telephone, 866-208-1064, or through their website at [OMWBE](#). OMWBE-Certified firms may provide their certification information on ***Exhibit A-2 – Bidder's Profile***.
