**TO:** Senator June Robinson, Senate Ways and Means Committee  
Representative Timm Ormsby, House Appropriations Committee  
Mr. David Schumacher, Office of Financial Management

**FROM:** Chief John R. Batiste

**SUBJECT:** Quarterly Report on Mobilization Costs

Per Section 402(1) of ESSB 5187 (2023-25 Biennium Budget), the Washington State Patrol (WSP) is required to submit a quarterly report to the Office of Financial Management, and the Legislative Fiscal Committees detailing information on current and planned expenditures from the Disaster Response Account.

Total expenditures through March 31, 2024, for Disaster Response Account mobilization and prepositioning costs are \$8,151,441. Although we have not received all invoices yet, we estimate that our total mobilization costs so far for the 2023-25 biennium are approximately \$23,530,000 as shown in the tables below.

**The WSP received an \$8 million appropriation from the Disaster Response Account in the 2023-25 Biennial Budget for mobilization response, and an additional \$15.5 million in the 2024 Supplemental Budget for a total of \$23.5 million. With the current estimated costs exceeding our appropriation by \$30,000, as well as probable new costs from the upcoming fire season, we expect to seek additional funding from the Disaster Response Account in the 2025 Supplemental Budget.**
