

STATE OF WASHINGTON
Washington State Patrol

SOLE SOURCE POSTING

November 7, 2024

The Washington State Patrol, contemplates awarding a sole source contract to NorthPoint Aviation (dba D.V. Aviation) to provide one (1) Soloy Universal Sensor Mount for a Cessna aircraft for the Washington State Patrol Aviation Section. The Washington State Patrol anticipates purchasing a second Soloy Universal Sensor Mount in 2025.

Washington State Patrol will be receiving two (2) Cessna 206 airplanes in 2025, each will be equipped with a Star Safire FLIR 380 HDc Cameras. The 380 HDc camera system requires a specific mount that is installed under the left wing. This camera mount is required to have a Supplemental Type Certificate (STC) and be approved by the Federal Aviation Administration (FAA). The Soloy Universal Sensor camera mount is STC approved by the FAA and the only mount manufactured for the Star Safire 380 HDc camera.

The contract will be issued on or about December 17, 2024 for 12 months. The dollar value is estimated at \$52,248.

Other vendors contemplating the above requirements are required to submit capability statements detailing their ability to meet the state's requirements within 10 days of this announcement.

In the absence of other qualified sources, it is the state's intent to make a sole source award of the contract. To submit capability statements or for questions, contact:
