DRIVER

INFORMATION FOR DUI / PC DRIVERS TO REDEEM AN IMPOUNDED VEHICLE W/12 HOUR HOLD

Because you were arrested under RCW 46.61.502 or 46.61.504 and are the Registered Owner of the vehicle, the vehicle you were driving was impounded with a 12-hour hold. You may redeem the impounded vehicle 12 hours after the vehicle arrives at the towing company's storage facility. HOWEVER, the vehicle may be redeemed from the tow company's storage facility prior to the completion of this 12-hour hold by a secondary Registered Owner or the Legal Owner, who was not the driver of the vehicle at the time of arrest.

INFORMATION FOR SUSPENDED / REVOKED DRIVERS TO REDEEM AN IMPOUNDED VEHICLE

Because your driver's license is suspended, this vehicle you were driving was impounded for _____ days on _____. The requirements of RCW 46.55.120(1)(b) shall be satisfied prior to redeeming the vehicle at the end of the impound period. These requirements include:

- a. Within five (5) days of the impound date and at the request of the tow truck operator, a person who desires to redeem the vehicle at the end of the impound period shall post a security deposit of not more than one-half the applicable storage rate for each day of the proposed impound period to ensure payment of the removal, towing, and storage. If the security deposit is not posted within five (5) days of the impound date, the vehicle will immediately be processed and sold at auction as an abandoned vehicle pursuant to RCW 46.55.130(1). If the abandoned vehicle auction is held, the vehicle shall be sold to the highest bidder who is not the registered owner. The registered owner is ineligible to purchase this vehicle at the abandoned vehicle auction.
- b. The security deposit may be paid and must be accepted anytime up to twenty-four (24) hours prior to the beginning of the abandoned vehicle auction.
- c. Any security deposit paid shall be credited against the final bill for removal, towing, and storage of the vehicle.
- d. The tow truck operator may accept other sufficient security in lieu of the security deposit.

Driver of the vehicle but not the registered owner

- The vehicle may be redeemed only by the registered owner, legal owner, a person authorized in writing by the registered owner, vehicle insurance company, or by someone who has purchased the vehicle with proof of purchase [RCW 46.55.120 (1)(a)]. They may go to the towing company at the end of the impound period. (The day of impound counts as the first day.) The remainder of the towing and storage fees must be paid to redeem the vehicle.

Driver is the registered owner

- If you are driving with a suspended driver's license and are also the registered owner of the vehicle, all outstanding penalties, fines, or forfeitures owed by you to the courts must be satisfied. Because clearing up outstanding penalties, etc., takes time, you must start early, long before your 30, 60, or 90-day hold is completed. In addition to court obligations, the remaining towing and storage fees must also be paid to redeem the vehicle. Take with you to the tow company any paperwork provided by the courts showing payment of outstanding penalties, fines, or forfeitures owed to the courts.

Hardships

- RCW 46.55.120(1)(a)(i) and (ii) provide for release of the vehicle in the event of economic or personal hardship to the spouse of the operator, or in the event the owner of the vehicle was not the driver, did not know that the driver's license was suspended, and has not received a prior release under this subsection. Contact the impounding law enforcement agency for additional information.

- See Additional Requirements provided by the impounding agency (attached)**

If you have any questions, call the impounding agency.
