

WASHINGTON STATE FIRE TRAINING ACADEMY

FIRE CONTROL I* OPEN ENROLLMENT

* Also known as "Burn to Learn".

1 DAY/8 HOURS

This program introduces new firefighters to fire behavior and development, as well as water application principles to effectively extinguish Class A fires. This program provides firefighters with the skills necessary to function as the nozzle operator of an interior fire attack team. Firefighters will work in a variety of fire situations utilizing direct, indirect, and combination water application techniques.
