Critical Incident – Initial Press Release

Outlook, Wash. – The Yakima Valley Special Investigations Unit (YVSIU) is investigating an Officer-Involved shooting that occurred Saturday morning in Outlook, Wash.

On Saturday, June 28, 2025, at approximately 11:40 AM, Yakima County Sheriff's Deputies were dispatched to the area of 2600 Van Belle Rd, in the rural Outlook area, for reports of a domestic violence incident. Information from the reporting party indicated that a subject was armed with a firearm. Once on scene, deputies contacted a male subject near the residence, and a critical incident occurred.

The Yakima Valley Special Investigations Unit (YVSIU) was activated, and the Washington State Patrol (WSP) is leading the investigation. Per policy and practice, WSP will release weekly updates during the ongoing investigation of this incident through the WSP Government and Media Relations Office in Olympia, Wash.

The investigation is active and in its early stages, so no additional details are available.

Investigation and Process:

This update is required in compliance with WAC 139-12, which mandates weekly updates be sent out by the lead investigative agency in investigations where a Washington State Peace Officer uses deadly force in the capacity of his or her law enforcement duties. These updates are required even if no new information is available at the time of the update.

With the passage of Washington State Initiative 940 in 2018, and Substitute House Bill 1064 in 2019, incidents where the use of deadly force by a peace officer results in death, substantial bodily harm, or great bodily harm require an independent investigation. This investigation must be conducted in the same manner as a criminal investigation and state law now requires an "independent investigation" completely independent of the involved agency.

Per WAC 139-12, the IIT is unable to release any criminal history related to the individual, which includes the circumstances surrounding the initial contact, which prompted the law enforcement response. This information can only be released if specifically requested by the media, and is able to be released consistent with the Public Records Act Chapter 42.56 RCW.

Office of the Chief • Chief John R. Batiste

Weekly updates will be provided as the investigation continues. The policies and operating procedures of the IIT are available to the public at: <https://www.wsp.wa.gov/independent-investigation-team/>.
