

	Drug Recognition Expert Condensed Instructor Development Course
Session 6 – Course Review, Examination, Evaluation, and Wrap-Up	
  	February 2017

## Content Segments

- A. Review
- B. Final Exam
- C. Closing Remarks
- D. Course Completion Certificates
- E. Course Evaluation
- F. Questions

Session 6 – Course Review, Examination, Evaluation, and Wrap-Up

6-2

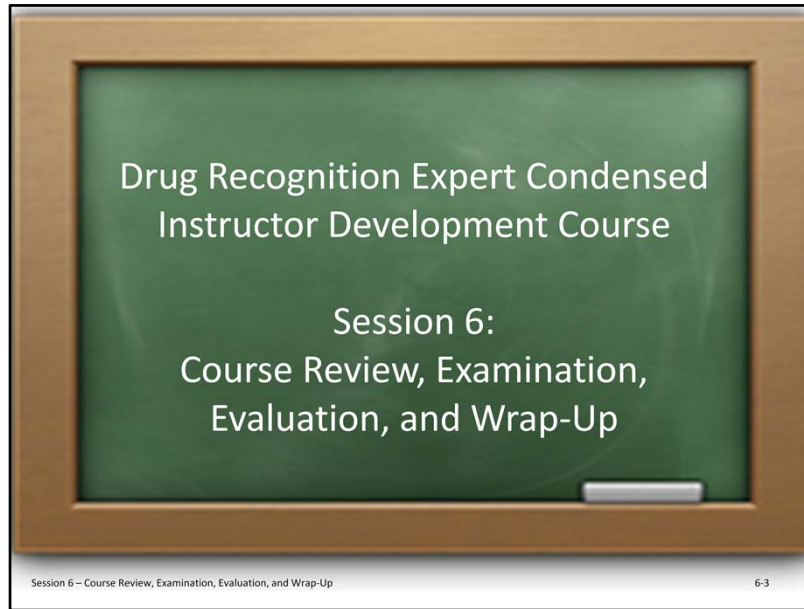

### **Session 6: Course Review, Examination, Evaluation, and Wrap-Up**

Estimated time for Session 6: 1 Hour, 30 minutes (depending on class size)

#### **Contents**

- A. Review
- B. Final Exam
- C. Closing Remarks
- D. Course Completion Certificates
- E. Course Evaluation
- F. Questions

## Session 6: Course Review, Examination, Evaluation, and Wrap up

[illegible]

## **A. REVIEW**

What is learning?

---

---

---

---

---

---

---

---

---

---

---

---

## What is Instruction?

Session 6 – Course Review, Examination, Evaluation, and Wrap-Up

6-5

## What is instruction?

[illegible]

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

## Primacy

Session 6 – Course Review, Examination, Evaluation, and Wrap-Up

6-7

### Describe Primacy.

[illegible]

Describe the advantages and disadvantages of Team Teaching.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

## Page 9

6-9

Session 6 – Course Review, Examination, Evaluation, and Wrap-Up

6-10

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

## Qualities of a Good Instructor

Session 6 – Course Review, Examination, Evaluation, and Wrap-Up

6-11

What are the qualities of a good instructor?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

## What is Feedback?

Session 6 – Course Review, Examination, Evaluation, and Wrap-Up

6-12

What is feedback?

---

---

---

---

---

Why is feedback important?

---

---

---

---

---

---

What are the three types of questions?

---

---

---

---

---

---

---

---

---

---

---

---

What should an instructor do when a participant gives a correct answer?

---

---

---

What should an instructor do when a participant gives an incorrect answer?

---

---

---

What should an instructor do if participants do not offer an answer?

---

---

---

## Problem Situations

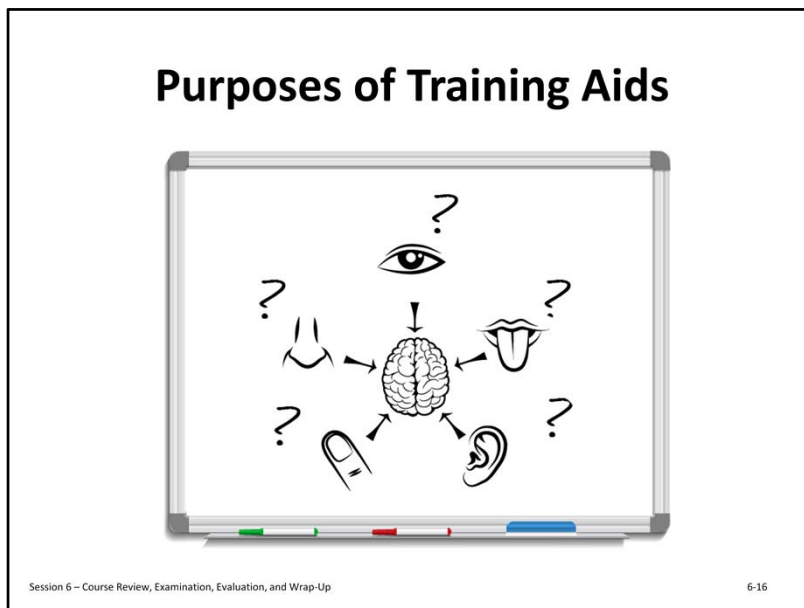

Session 6 – Course Review, Examination, Evaluation, and Wrap-Up

6-15

### What are some key considerations for problem situations?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Describe the purposes of training aids?

---

---

---

---

---

---

---

---

---

---

---

---

## Commonly Used Training Aids

Session 6 – Course Review, Examination, Evaluation, and Wrap-Up

6-17

## What are commonly used training aids?

[illegible]

Describe some of the considerations for planning an alcohol workshop.

---

---

---

---

---

---

What are the quantity and qualifications for volunteer drinkers?

---

---

---

---

---

## Eye Examinations

Session 6 – Course Review, Examination, Evaluation, and Wrap-Up

6-19

### Eye Examinations: Horizontal Gaze Nystagmus

- What are the three validated clues of impairment that have been established for HGN?  
\_\_\_\_\_
- What formula expresses the approximate statistical relationship between BAC and the angle of onset of nystagmus? \_\_\_\_\_
- What categories of drugs usually will cause HGN?  
\_\_\_\_\_
- What categories of drugs usually will cause LOC?  
\_\_\_\_\_

### Review of the Darkroom Examinations

- What are the three lighting conditions under which we must estimate the size of the suspect's pupils?  
\_\_\_\_\_
- How long should we wait in the Darkroom before beginning to check the suspect's pupils? \_\_\_\_\_
- Name the device we use to estimate the size of the suspect's pupils. \_\_\_\_\_
- What do the numbers on the Pupillometer refer to?  
\_\_\_\_\_
- In what units of measurement are those numbers given? \_\_\_\_\_

## General Review Questions

Session 6 – Course Review, Examination, Evaluation, and Wrap-Up

6-20

### General Review Questions

- What is the medical or technical term for “droopy eyelids”? \_\_\_\_\_
- What does “Piloerection” mean? What drug often causes piloerection? \_\_\_\_\_

- What is the medical or technical term for Heroin? \_\_\_\_\_
- Explain the terms “Null”, “Additive”, “Antagonistic” and “Overlapping” Effect as they apply to polydrug use. Give examples: \_\_\_\_\_

- What is “Rebound Dilation”? \_\_\_\_\_

- What is pupillary unrest? \_\_\_\_\_

- What does “Bruxism” mean? \_\_\_\_\_
- What does the number denoting the size of a hypodermic needle refer to? \_\_\_\_\_

- What does “Synesthesia” mean? \_\_\_\_\_
- What is “Sinsemilla”? \_\_\_\_\_

## 12-Step Process

Session 6 – Course Review, Examination, Evaluation, and Wrap-Up

6-21

### General Review Questions

- What are the twelve major components of the DRE drug influence evaluation?

---

---

---

---

---

---

---

### Review of Physiology

---

---

---

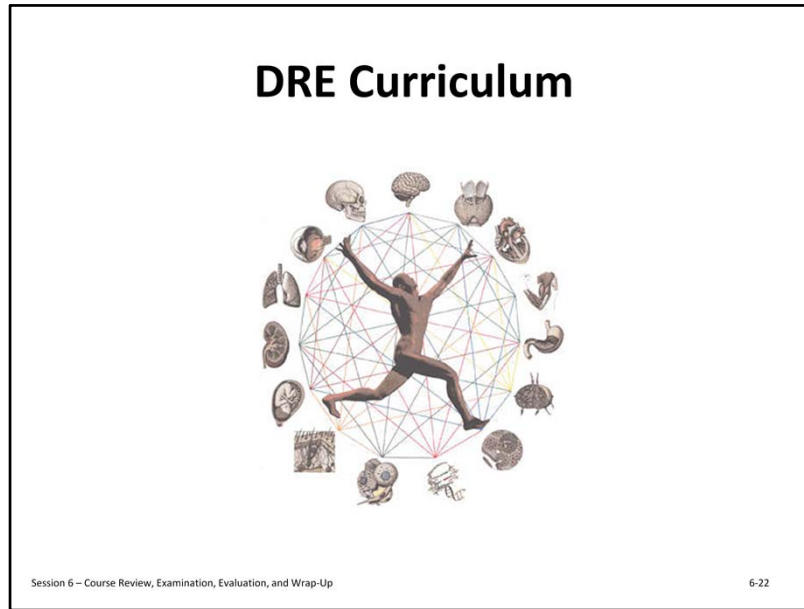

---

---

---

---

### General Review Questions

- What is the distinction between the “Smooth” muscles and the “Striated” muscles?

---

---

- What do we call the chemicals that are produced by the Endocrine System? \_\_\_\_\_
- What is a neuron? \_\_\_\_\_
- Which two categories of drugs can most appropriately be called sympathomimetic?

---

---

- Which category can most appropriately be called parasympathomimetic?

---

---

### Review of Physiology

- What is an artery?

---

---

- What is a vein?

---

---

## Certification Training

## Recertification Guidelines

 IACP Drug Evaluation and Classification Program  
Recertification and Assurances

In accordance with the requirements set forth in Section 3.4 of the International Standards of the Drug Evaluation and Classification Program (October 2015) of the International Association of Chiefs of Police, I hereby certify that DRE name IACPM of the agency has complied with all of the recertification standards which apply and give my assurances that:

- (1) The above named DRE has conducted a minimum of four acceptable drug recognition evaluations since the date of last certification, all of which were reviewed and approved by a certified DRE instructor and one of which was witnessed by a certified DRE instructor; and
- (2) Completed a minimum of eight hours of DEC Program coordinator approved recertification training since the date of the DRE's most recent certification; and
- (3) Presented an updated curriculum vitae and evaluation rolling log to the appropriate coordinator for review and is recommended for recertification by affixing my signature below.
- (4)

Agency Coordinator (if applicable) \_\_\_\_\_ Date \_\_\_\_\_

**INSTRUCTOR RATING**

The above is also eligible for recertification as a DRE instructor.

Agency Coordinator (if applicable) \_\_\_\_\_ Date \_\_\_\_\_

**CONCURRENCE**

The first mentioned above remains certified as a DRE through date

DEC Program State Coordinator \_\_\_\_\_ State \_\_\_\_\_ Date \_\_\_\_\_

This form may be duplicated

Revised 10/2015

What are the DRE instructor's two primary roles in assisting another DRE in satisfying their certification requirements?

---

---

---

---

---

---

---

---

---

---

**B. FINAL EXAM**

---

---

---

---

---

---

---

---

---

---

---

---

6-26

#### **D. COURSE COMPLETION CERTIFICATES**

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

## Course Evaluation
