

WASHINGTON STATE PATROL PUBLIC ACCESSIBILITY AND GRIEVANCE PROCESS

The Washington State Patrol (WSP) is committed to providing the public with equal access in its programs, services, and activities for people with disabilities and for non-disability reasons such as a need for language interpretation. Therefore, this document will provide information as to 1) how and who to request an accommodation under the American with Disabilities Act (ADA) or a non-ADA accommodation such as requiring a language interpreter for a non-English speaking person, and 2) how and who to file a grievance. This document does not pertain to current WSP employees.
