State Fire Mobilization Authorized for the Crown Creek/Black Hawk Mountain/Johnson Grade Fire

Stevens County – State fire assistance has been mobilized under the Washington State Fire Services Resource Mobilization Plan in support of local firefighters working to contain the Crown Creek/Black Hawk Mountain/Johnson Grade Fire located in Stevens County, near the town of Northport. Washington State Patrol Chief John Batiste authorized the mobilization of state firefighting resources on August 31, 2025, at 1:30 p.m. at the request of Fire Chief Dave Glanville, Stevens County Fire District 11.

The Crown Creek/Black Hawk Mountain/Johnson Grade Fire started on August 29, 2025, at approximately 5:17 p.m. This fire is estimated at 1,203 acres and growing. It is burning in grass, timber, brush, and slash and is threatening homes, powerlines, property, and livestock. Level 1, 2, and 3 evacuations are in effect at this time. The fire cause is currently under investigation.

The State Emergency Operations Center at Camp Murray is activated to Level 2, partial activation, to help coordinate state assistance for the Crown Creek/Black Hawk Mountain/Johnson Grade Fire. Mobilization specialists from the Fire Protection Bureau have ordered 5 strike teams to aid in containment efforts. State Fire Marshal's Office personnel are both en route to the scene and working remotely to coordinate the dispatch of resources.

Under the State Fire Services Resource Mobilization Plan, the Fire Protection Bureau coordinates the initial dispatch and continued administrative oversight of resources and personnel for the duration of the mobilization. The Mobilization Plan is implemented to provide a process to quickly notify, assemble and deploy fire service personnel, equipment and other resources from around the state when fires, disasters or other events exceed the capacity of local jurisdictions. More information about the Washington State Fire Services Resource Mobilization Plan is available at <http://www.wsp.wa.gov/all-risk-mobilization/>.

###

The State Fire Marshal's Office is a Bureau of the Washington State Patrol, providing fire and life safety services to the citizens of Washington State. These services include public education, licensing and certification of the fire sprinkler, fireworks, and cigarette industries, data collection and analysis, fire and life safety inspections for state facilities, plan review of school construction projects, all-risk mobilization of statewide fire service resources, hazardous materials training, and the training and certification of firefighters.
