Memorial service for fallen WSP Trooper Guting scheduled for Saturday

TACOMA, Wash. – The Washington State Patrol (WSP) is hosting a memorial service for fallen Trooper Tara-Marysa Guting - Badge #720 at 1 p.m. on Saturday, Dec. 27, 2025, at Life Center Central Campus located at 1717 S. Union Ave, Tacoma, WA 98405.

WSP is working closely with Trooper Guting's family to create a ceremony honoring her life and service with an intimate, family-focused event with appropriate law enforcement honors. Saturday's service will not include a law enforcement procession, and will have a focus on being surrounded by family, friends, and colleagues.

As space may be limited, the event will be live streamed with links made available prior to the event. WSP will share those links and other logistic concerns as planning matures.

The family wishes to thank the public for the many condolences received and the widespread outpouring of support.
