Detectives Seeking Witnesses For A Car/Pedestrian Fatal Hit And Run

King County: At approximately 11:47 p.m. on December 13, 2025, Washington State Patrol (WSP) Communications received a 9-1-1 call reporting a vehicle versus pedestrian collision on State Route 516, just east of West Meeker Street in Kent. Witnesses and fire personnel provided medical aid to the pedestrian, who later succumbed to their injuries.

The investigation determined the pedestrian was crossing the roadway when they were struck by a vehicle that fled the scene.

Based on debris recovered at the scene, detectives believe the suspect vehicle is a 2014–2017 Lexus IS F-Sport sedan. The vehicle is believed to have damage to the driver-side front bumper and driver-side headlight and is likely missing a piece of black plastic cowl from the lower driver-side corner of the front bumper.

WSP detectives are asking anyone who witnessed the collision or has information about the vehicle to contact Detective Aidan Lawlor at Aidan.Lawlor@wsp.wa.gov.
