Detectives Seeking Witnesses To A Fatal Hit And Run

King County: On March 15, 2026, at approximately 3:22am Washington State Patrol (WSP) Communications received multiple 9-1-1 calls about a collision that occurred on south bound I-5 just south of the S 200th St on ramp. The driver of A Toyota Prius was pronounced deceased on scene as a result of injuries sustained in the collision.

The investigation determined three vehicles were involved in the incident which consisted of two collision events. The first collision left the victim vehicle disabled in the roadway which led to the secondary collision with a Subaru.

Detectives believe the vehicle which caused the first collision stopped after the collision and remained on scene briefly before leaving. Detectives also recovered debris at the scene with Mercedes markings and believe the running vehicle may be a 2009-2017 two door E-class coupe or similar style Mercedes. The suspect vehicle will have damage to the front passenger side corner and bumper.

Not Actual Vehicle

WSP detectives are asking anyone who witnessed the collision or has information to contact Detective Aidan Lawlor at Aidan.Lawlor@wsp.wa.gov or call 360-890-1558.
