Detectives Seeking Two Suspect Vehicles In A Felony Hit And Run

King County: At approximately 5:05am this morning, May 13, 2026, Washington State Patrol (WSP) communications received 9-1-1 calls reporting a motorcycle down and the rider ejected SB I-405 near Sunset in Renton, Washington.

When troopers arrived, they observed the rider in a lane of travel with at least a serious leg injury. The Renton Fire Department arrived and transported the rider to Valley General Hospital.

Further investigation revealed that the motorcycle was traveling southbound on I-405 in lane 3 when an unknown vehicle drifted into the lane causing the rider to take defensive action. During this action, the rider hit a puddle, lost control, and struck the barrier ejecting the rider. Another unknown vehicle ran over the rider's foot causing serious injury. Both vehicles did not stop and continued southbound on I-405.

Detectives are seeking anyone that witnessed this or has information that would assist in identifying the two vehicles involved. Please contact Detective Ford at John.Ford@wsp.wa.gov.
